FLORAL ART WALK

*Fleur De Lis*

The Fleur de Lis serves as a recognized and cherished symbol of both Saint Louis University and the City of St. Louis. As "fleur" means flower, SLU visitors are invited to celebrate the University's bicentennial anniversary with a walking tour of interpretive botanical arrangements throughout campus and surrounding Grand Center locations. Each location will be imaginatively interpreted through floral design by some of the region's most talented florists. Visit some or all of the locations as part of Saint Louis University's bicentennial and 2018 Homecoming and Family Weekend celebrations.
