

Biology Seminar Series Schedule

Autumn 2024

August 23 rd , 1:10pm Macelwane Hall 203	Ben England, PhD - Community Ice Breaker – refreshments provided
August 30 th , 1:10pm Kelley Auditorium	Stephen Blake, PhD - Saint Louis University <i>Tracking animals to answer questions in ecology and conservation</i>
September 6 th	IDBI Symposium
September 13 th , 1:10pm Kelley Auditorium	Ignacio Escalante, PhD - University of Illinois, Chicago <i>Mechanisms and implications of animal behavior: Biomechanics and communication in an arachnid</i>
September 20 th , 1:10pm Kelley Auditorium	Kasey Fowler-Finn, PhD – Saint Louis University <i>Responses to global change: from individuals to communities</i>
September 27 th , 1:10pm Zoom	Katelyn Cooper, PhD – Arizona State University <i>Small changes, meaningful outcomes: Improving mental health among undergraduate and graduate students in the sciences</i>
October 4 th , 1:10pm Kelley Auditorium	Stanley Andrisse, PhD – Howard University, Prison to Pro <i>Androgen-induced insulin resistance is ameliorated by deletion of hepatic androgen receptor in females</i>
October 11 th , 1:10pm Kelley Auditorium	Gislayne Mendoza Alcívar – Saint Louis Zoo <i>Prevalence of infectious diseases in giant tortoises from San Cristobal and Isabela Islands, Galapagos</i>
October 18 th	No Seminar – Midterm Exams
October 25 th	No Seminar – Fall Break
November 1 st	NeuroDay/2nd Annual ITN Neuroscience Research Symposium
November 8 th , 1:10pm Kelley Auditorium	Michele LeRoux, PhD – Washington University, Molecular Microbiology Dept Seminar Title TBA
November 15 th , 1:10pm Zoom	Eric Wood, PhD – California State University, Los Angeles Seminar Title TBA
November 22 nd	Biology Research Retreat
November 29 th	No Seminar – Thanksgiving Break
December 6 th , 1:10pm Kelley Auditorium	Jeiya Shao, PhD – Washington University Seminar Title TBA
December 13 th	No Seminar – Final Exams
