

College of Arts & Sciences Tuition Scholarship Request Policy

All requests for Tuition Scholarship to accompany grant proposals must be submitted online in eRS with the grant proposal. These documents are reviewed together to determine percent indirect cost recovery. The amount of scholarship awarded, should funding of the proposal be successful are based on IDCR amounts, which are:

| <u>F&A/IDCR Amount</u> | <u>Maximum Tuition Scholarship Allowed</u> |
|----------------------------|--|
| 1-8% | 12 CR Hours per fiscal year |
| 9-49% | 15 CR Hours per fiscal year |
| Full F&A/IDCR | 21 CR Hours per fiscal year |

For proposals with 0% IDCR, requests for tuition scholarship will be granted contingent approval, with the amount of tuition scholarship to be awarded, if any, dependent upon CAS' Sponsored Programs budget for the funding period. Typically, this will not exceed 9 credit hours for a given fiscal year. Additionally, if these requests are for multi-year funding, they will be re-evaluated at the beginning of each fiscal year (July) to determine fund availability.
