Language Competency Examination Rubric

Student: _______________________________________________
Examiner: _____________________________________________
Language under Examination: ____________________________

I. Learning Goals

• Students will demonstrate competency in the selected language with the aid of a print dictionary in a two-hour time period.
• Students will demonstrate the ability to conduct research in the selected language for the purposes of dissertation research.

II. Instructions

• Read the exam.
• Using the rubric key, evaluate the exam, keeping in mind that the object of the exam is to assess students’ ability to read an original-language text both accurately and independently for purposes of advanced research. Passing in each category requires about 90% accuracy.

III. Rubric Indicator

<table>
<thead>
<tr>
<th>Length of translation</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Grammar and syntax</td>
<td></td>
</tr>
<tr>
