MESSAGE FROM THE DEAN AND DIRECTOR

Dear Graduates,

What a gift to be here with you to celebrate your pre-commencement in community with one another. We have endured a pandemic together. And, now, with much hope, we look forward to healthier days ahead.

We welcome your family and friends and their participation in this ceremony. We are grateful they can celebrate your achievements and be here to cheer for you from the Chaifetz Arena balcony. Yet, not all of our loved ones or graduates are with us today. We keep those not with us in our hearts as we celebrate.

Today we honor a diverse and complementary group of scholars who have earned degrees in applied behavior analysis, criminology and criminal justice, health management & policy, public health, social work, and urban planning. The class of 2022 is graduating with degrees and certificates in 52 different concentration combinations.

The graduates include 125 undergraduates and 228 graduate students from more than 150 different cities in 29 states and more than thirteen countries including Burma, China, Cote d'Ivoire, Ethiopia, Honduras, India, Kenya, Nigeria, Pakistan, Saudi Arabia and Vietnam. You represent more than 30 different faith traditions and a broad range of educational backgrounds, having earned prior degrees at 84 universities in 70+ areas of study.

We are thrilled to celebrate today's milestone in your lives. We are grateful to share this chapter of your life. Students like you – with outstanding intellectual ability, a concern for others, and a desire to do well by doing good – exemplify what it means to be a Billiken. You join a group of alumni who are leading meaningful lives with impactful careers, boldly tackling the greatest challenges we face in health, wellbeing, and society. We cannot wait to see the contributions you will make to our world.

Congratulations on your graduation!

Health and Social Justice
