ABOUT SAINT LOUIS UNIVERSITY

Saint Louis University is one of the oldest and most prestigious Catholic universities in the United States. Founded in 1818, the University is recognized nationally for world-class academics, life-changing research and a strong commitment to faith and service.

Guided by its enduring Jesuit mission, Saint Louis University offers students a highly rigorous and deeply transformative education that empowers them to become bold, confident leaders.

As a nationally recognized leader in research and innovation, SLU is a Research-1 (R1) university, advancing groundbreaking discoveries in St. Louis and around the world.

Saint Louis University educates 13,307 students from all 50 states and 93 countries. The University's campus in Madrid, Spain, enrolled 1,285 students last fall.

A dedication to values-based education and social justice has earned Saint Louis University widespread acclaim and bolstered its status as a character-building college. SLU is one of only 7% of colleges nationwide to hold the Carnegie Classification for Community Engagement, which honors the service-centered work of the University community.

SLU is also a catalyst for urban renewal in the heart of a vibrant city. More than \$2 billion in housing, retail and business development is underway in Midtown St. Louis, and the University is in the center of the neighborhood's growth.

Inspired by its pioneering spirit, Saint Louis University continues to move forward, committed to serve a higher purpose while seeking the greater good.

ATHLETICS

An NCAA Division I institution, SLU is a member of the Atlantic 10 Conference and competes in 18 sports. Recent successes include men's basketball advancing to the second round of the NCAA Championship.

MASCOT

The University's unique mascot, the Billiken, is a mythical good-luck figure who represents “things as they ought to be.”
