

The following revised syllabus statements communicate the shift towards virtual support services for the remainder of the Spring 2020 term:

### **Disability Services**

Students with a documented disability who wish to request academic accommodations must contact Disability Services to discuss accommodation requests and eligibility requirements. Once successfully registered, the student also must notify the course instructor that they wish to access accommodations in the course.

Please contact Disability Services at [Disability\\_services@slu.edu](mailto:Disability_services@slu.edu) or 314-977-3484. Students are encouraged to schedule an appointment through EAB Navigate. Confidentiality will be observed in all inquiries. Once approved, information about the student's eligibility for academic accommodations will be shared with course instructors via email from Disability Services and viewed within Banner via the instructor's course roster. Note: Students who do not have a documented disability but who think they may have one are encouraged to contact Disability Services.

### **Student Success Center**

In recognition that people learn in a variety of ways and that learning is influenced by multiple factors (e.g., prior experience, study skills, learning disability), resources to support student success are available. The Student Success Center utilizes Zoom to assist students with academic-related services. Students can visit the [Student Success Center](#) website to learn more about Tutoring Services, University Writing Services, Disability Services, and Academic Coaching.

### **University Writing Services**

Students are encouraged to take advantage of University Writing Services in the Student Success Center; getting feedback benefits writers at all skill levels. Trained writing consultants can help with writing projects, multimedia projects, and oral presentations. University Writing Services offers one-on-one consultations that address everything from brainstorming and developing ideas to crafting strong sentences and documenting sources. Students have the option to complete an online submission (for asynchronous feedback) or to schedule a live video conference. Both can be scheduled through EAB Navigate. For more information, visit the [Student Success Center](#) or email [writing@slu.edu](mailto:writing@slu.edu).
