Accreditation

Saint Louis University is accredited by the Commission on Accreditation of Athletic Training Education (CAATE) located at 2001 K Street NW, 3rd Floor North, Washington, DC 20006. The program will have its next comprehensive review during the 2024-2025 academic year.

More information is available at caate.net.
Program Outcomes

The freshman entry five-year Master of Athletic Training Program at Saint Louis University is divided into two phases. The pre-professional phase of the program starts with the freshman year and extends through the spring semester of the junior year. The professional phase of the program begins the summer following the junior year and extends for two years. Students can also enter the two-year program as a post-baccalaureate.

Program Retention Rate
Program Retention Rate measures the percentage of students who have enrolled in the professional program who return to the institution to continue their studies in the program the following academic year.

Technical Standards

Athletic Training Students must be able to perform certain mental, physical, and other tasks that are essential in providing care for their patients. These requirements are outlined in the Program's Technical Standards for Athletic Training Students.

After being admitted to the program, Athletic Training students must submit a signed certification statement stating that they believe that they can meet these standards with or without accommodation. The student's statement is also confirmed through a physical examination by a licensed healthcare provider of the student's choosing who also signs a statement on the form (Physician, PA, or Advanced Nurse Practitioner).

The certification form must be on file before beginning the courses or clinical experiences of the program. If a student believes they may require accommodation(s) in order to meet these requirements, they must have their need for accommodation validated through the Saint Louis University's Disability Services Office. The office can be contacted at:

Disability Services Office
Busch Student Center-Student Success Center
20 North Grand Blvd., Suite 331
St. Louis, MO 63103

Website: [http://www.slu.edu/x24491.xml](http://www.slu.edu/x24491.xml)
Telephone: (314) 977-3484, Fax: (314) 977-3486

This office works jointly with the student and the Athletic Training Education Program to explore accommodation options.

Accommodation may not be possible in some cases.

1. Any student who cannot meet each of the Technical Standards with or without accommodation cannot be enrolled in the Athletic Training Education Program.
2. Students requesting accommodations must have their need for accommodation validated through the Office of Disability Services.
3. Requests for accommodation are not used prejudicially against students.
4. Students are responsible for informing their instructors about needs for accommodation for classroom or clinical education courses.
5. Accommodation requests must be made in a timely fashion in order to permit adequate time to arrange the accommodation. It may not be possible to provide some accommodations on short notice.

Program Complaint Policy

This policy for addressing program complaints does not include any complaints for which there is an established University, College or Program policy or procedure, such as grade appeals, academic dismissal appeals or allegations of racial, sexual, or gender harassment. These matters are covered in the Athletic Training Student Handbook, the University Student Conduct Policies, or through the Office of Diversity and Affirmative Action.

An individual who has a concern/complaint following an experience/encounter with any student, faculty, or staff member is welcome to communicate their complaint. Program complaints are recognized as an opportunity for program improvement and should be expressed with this end in mind. A complainant can choose to communicate a complaint either informally or formally.

Please click here for instructions as to how an informal or formal program complaint can be made.
Additional Program Requirements and Fees

<table>
<thead>
<tr>
<th>Criminal Background Check</th>
<th>Two Step Tb/PPD Screening</th>
<th>CPR Fee</th>
<th>Course Fees</th>
</tr>
</thead>
<tbody>
<tr>
<td>$105</td>
<td>$28</td>
<td>$21</td>
<td>$340</td>
</tr>
</tbody>
</table>

**Criminal Background Check Fee: $105.00**
A majority of the Doisy College of Health Science's learning experience facilities mandate that criminal background checks be performed on all persons having any opportunity for patient/client interaction. This includes employees and volunteers, as well as students. A CBC revealing a charge and/or conviction for certain crimes could result in a ban from participation in learning experiences and thus prevent graduation. Therefore, every student in the Doisy College of Health Sciences whose academic program requires her/him to participate in learning experiences in an affiliate facility will be required to undergo the level of CBC required by their major department and/or the affiliate facility.

The Office of Clinical Education Compliance has a detailed policy that outlines the procedure for obtaining a CBC through the University. Please refer to the **Office of Clinical Education Compliance** or your department for a copy of this policy.

The timing of a CBC will be in concert with the student's program/department or affiliate facility policies. A single negative check does NOT preclude the requirement of additional checks at a future time. Students should be aware that any affirmative results from a CBC could restrict ability to participate in a learning experience and therefore restrict ability to complete degree requirements. In addition, the lack of an acceptable report on a CBC could bar the student from sitting for licensure examinations and thus from practice in certain professions.

In the event that a student's CBC is reported "affirmatively" the student will have the opportunity to contest the report by requesting an additional CBC. In the event that an Affirmative CBC is confirmed, the compliance officer will notify the designated program/department official and the student.

**Two Step Tb/PPD Screening Fee: $28.00**
Provided at SLU Student Health

**CPR Certification Fee: $21.00**
Provided inter-departmentally through MAT 5010 course fee.

**Course Fees: $340.00**
Students are required to pay for consumables, supplies and packets for individual courses in the professional phase of the SLU AT program.
