

Thank you for your interest in Saint Louis University's combined MS/DI program. To be eligible for the second round application process, you must have unsuccessfully participated in the Spring 2017 first round match process. If you did not receive a match on April 2, 2017, follow the instructions below.

1. If Saint Louis University has openings for the second round match, the program will be listed on D & D Digital
2. Check our MS/DI Internship admission criteria. If you do not meet the basic criteria, please do not contact us or submit an application through DICAS.
3. Review the estimated costs of the MS/DI program. Please carefully consider the financial commitment this program requires.
4. Applications are due to DICAS by Friday, April 7th at 5 pm central time. All applications received by this time will be reviewed and scored by the Program Director according to the admission criteria.
5. After completing steps 1-4, please email a brief (less than 1 page) description of your DICAS application including your Grade Point Average, GRE scores and brief work history to Rabia Rahman at RAHMANR@slu.edu
6. We will accept and begin screening second round applications on Thursday April 6, 2017 at 11 am CST. We will contact you by email or telephone if we need additional information or would like to set up a phone interview.
7. Invitations to join the internship class will be issued by Tuesday April 11, 2017 by 5 pm CST.
8. At the conclusion of the process, we will notify all unsuccessful applicants that the internship class is complete.
