

TRAVIS T. THREATS, Ph.D., CCC-SLP

Department of Communication Sciences and Disorders
Saint Louis University
McGannon Hall, Suite 220
3750 Lindell Blvd.
St. Louis, MO 63108
(314) 977-3175
travis.threats@health.slu.edu

EDUCATION

Northwestern University, Evanston, Illinois.
Ph.D. in Speech-Language Pathology, 1984-1990

University of Illinois At Urbana-Champaign.
M.A. in Speech and Hearing Science, 1982-1984

Kansas State University, Manhattan, Kansas.
B.S. in Speech Pathology, Graduated *Summa Cum Laude*, 1978-1982

CERTIFICATION, LICENSURE

Certificate of Clinical Competence in Speech Pathology, 1987- Present

Licensed Speech-Language Pathologist in Missouri, 1996 - Present

ACADEMIC/PROFESSIONAL HONORS

Distinguished Scholar and Fellow, National Academies of Practice, inducted in 2019

Full Member, Sigma Xi, The Scientific Research Honor Society, inducted in 2013

Visiting professor, University of Hong Kong, Hong Kong, China, 2012

Certificate of Recognition for Outstanding Contribution in International Achievement,
American Speech-Language-Hearing Association (ASHA) 2012

Excellence in Health Care award, St. Louis American Foundation, 2010

Fellow, American Speech-Language-Hearing Association (ASHA), inducted in 2008

July 2019

Visiting Adams Scholar, Department of Education, Indiana State University, Terre Haute, Indiana for Fall and Spring Semester of 2002-2003 school year

Visiting Scholar, College of Health Professions, Medical University of South Carolina, April 1-2, 2002, Charleston, SC.

Committee on Institutional Cooperation (CIC) Predoctoral Fellowship from University of Illinois and Northwestern University

Phi Kappa Phi Honorary Fraternity

PROFESSIONAL EMPLOYMENT

Professor, Department of Communication Sciences and Disorders, Saint Louis University, 2008 - Present

Chair, Department of Communication Sciences and Disorders, Saint Louis University, 2005 – Present

Interim Chair, Department of Occupational Science and Occupational Therapy, Saint Louis University, 2019 – Present

Interim Director of Clinical Education, Department of Communication Sciences and Disorders, Saint Louis University
2009 – 2011

Associate Professor, Department of Communication Sciences and Disorders, Saint Louis University, 2003-2008

Assistant Professor, Department of Communication Sciences and Disorders, Saint Louis University, 1997 – 2003

Visiting Assistant Professor, Department of Communication Sciences and Disorders, Saint Louis University, October 1996 to September 1997

Adjunct Assistant Professor, Fontbonne College, St. Louis, MO, Spring, 1996

Regional Rehabilitation Director, Gateway Region, Life Care Centers of America, November 1995 to September 1996

Program Manager, Division of Audiology and Speech-Language Pathology, Department of Rehabilitation Services, University Hospitals of Cleveland, January 1994 to October 1995

Adjunct Assistant Professor, Department of Communication Sciences and Disorders, Case Western Reserve University, January 1994 to August 1995

December 2019

Adjunct Assistant Professor, Department of Neurology and Department of Otolaryngology, Case Western Reserve University School of Medicine, January 1994 to October 1995

Director of Clinical Services, Clinical Assistant Professor, Cleveland State University, May 1991 to December 1993

Assistant Professor, Northern Illinois University, DeKalb, Illinois, 1989-1991

Senior Speech-Language Pathologist, Marianjoy Rehabilitation Hospital, Wheaton, Illinois, 1988-1989

Speech-Language Pathologist, NovaCare, Chicago, Illinois 1987-1988

Speech-Language Pathologist, Brandecker Rehabilitation Center, Easter Seals, Chicago, Illinois, 1986-1987

Significant contribution to professional organization publications

World Health Organization. *World Report on Disability and Rehabilitation* (2011), Cited in book as Contributor for “Rehabilitation” chapter.

American Speech-Language-Hearing Association. (2004). *Preferred practice patterns for the profession of speech-language pathology*. Available at: <http://www.asha.org/members/deskref-journals/deskref/default>. Noted in publication for contribution of the use of the ICF throughout the document.

American Speech-Language-Hearing Association (ASHA) (2003). *Scope of Practice for Audiology*. ASHA: Rockville, MD. Worked directly with the ASHA Ad Hoc committee on this document on the sections dealing with the description of the ICF and the incorporation of the framework throughout the document.

American Speech-Language-Hearing Association (ASHA) (2001). *Scope of Practice for Speech-Language Pathology*. ASHA: Rockville, MD. Worked directly with the ASHA Ad Hoc committee on this document on the sections dealing with the description of the ICF and the incorporation of the framework throughout the document.

GRANT AWARDS/CONTRACTS

A Health Science Process Framework for Comprehensive Clinical Functional Assessment.

Co-Principal Investigator, with Principal Investigator, Allen Tien, M.D (Medical Decision Logic, Inc.). Grant funded from the US Department of Defense under Clinical Functional Assessment for Medical Disability (CFA) fund W81XWH-11-JPC1HIT-CFA. This project was funded to develop a computerized coding system using the World Health Organization’s *International Classification of Functioning, Disability, and Health (ICF)* for veterans who have suffered from Traumatic Brain Injury in order to track their individual care and better evaluate functional health outcomes.

Period: 2012 to 2014.

Development of assessment and clinical protocols in communication disorders to map onto the International Classification of Functioning, Disability, and Health

Principal Investigator, with Co-Investigator Kathy Wyrwich, Ph.D. (Saint Louis University) for Presidential Graduate Research Assistantship Award given by Graduate School at Saint Louis University to provide a research assistant.
Period: 2005-2008

Assessment Protocol to Identify Environmental Barriers to Communication

Consultant for National Institute for Deafness and other Communication Disorders grant 1 R43 DC008916-01A1
Principal Investigator: Margaret Calkins, Ph.D., IDEAS Institute, Cleveland, OH
Period: 2007-2010

A Three-Tiered Approach to Disability Awareness for People with Disability in Afghanistan.

Mentor/Trainer for US State Department Office of Citizen Exchanges grant [S-ECAPE-04-GR-058(JY)]
Period: 2006-2008
Project Director: Elena Andresen (University of Florida) and Co-Director: Karen Barney (Saint Louis University)

Computer Treatment for Aphasia: Evaluating Efficacy and Treatment Intensity

Consultant for US Department of Education - National Institute on Disability and Rehabilitation Research Award #: H133G040269
Period: 10/1/04 - 9/30/07
Principal Investigator: Leora Cherney (Northwestern University)

A participation-based framework for outcome measurement in Aphasia Institute

Consultant for Ontario Ministry of Health and Long-Term Care Grant #06021
Period: 4/1/04-4/1/07
Principal Investigators: Aura Kagan (Aphasia Institute, Toronto Canada) and Nina Simmons-Mackie (Louisiana State University)

Evaluate ICF Procedural Manual and Design Three Research Protocols for Classifying and Reporting Functional Status on Administrative Records based on NCVHS Recommendations

Consultant for Centers for Disease Prevention and Control (CDC) grant
Period: 1/1/04 to 6/1/04
Principal Investigator: David Gray, Ph.D. and Patricia Welch Saleeby, MSW (Washington University)

PRESENTATIONS

Invited international presentations

Threats, T. Horizontal epidemiology and acquired neurogenic communication Disorders. Keynote and opening address at International Aphasia Rehabilitation Conference, Aveiro, Portugal, 2018.

Threats, T. Evidence-based practice and the International Classification of Functioning, Disability, and Health (ICF). Presentation to the Philippine Association of Speech Pathologists convention, Manila, Philippines, 2018.

Threats, T. Innovative research paradigms for communication disorders. Presentation to the Philippine Association of Speech Pathologists convention, Manila, Philippines, 2018.

Threats, T. ICF and Evidence Based Practice: A partnership for scientific practice. Keynote and opening address at Summerfest: Making Communication Science Work at the University of Hong Kong, Hong Kong, China, 2012.

Threats, T. & Hooper, T. Applications of the ICF in speech-language pathology. Seminar at North American Collaborating Center (NACC) Conference: Enhancing our Understanding of the ICF at the US National Institutes of Health in Bethesda, MD., 2010.

Threats, T. The social and cultural complexities of communication. Keynote address at International Association of Logopedists and Phoniatrics (IALP) conference, Athens, Greece, 2010.

Threats, T. Communication disorders and the ICF: A step toward aspiring to be better. Keynote and opening address at Speech Pathology Australia National Convention, Adelaide, Australia, 2009.

Threats, T. Intervention for neurogenic communication disorders: Does it "work."? Keynote workshop at Speech Pathology Australia National Convention, Adelaide, Australia, 2009.

Threats, T., Justice L., Baker, J., & Cori Williams. ASPIRE Plenary Forum. Forum on future directions for the field at Speech Pathology Australia National Convention, Adelaide, Australia, 2009.

Threats, T. The ICF and communication disorders: Applications to Latin America. Presentation at Congreso Internacional de Trastornos de la Comunicacion, Talca, Chile, 2009

Threats, T. Application of evidence based practice in dysphagia management. Presentation at Congreso Internacional de Trastornos de la Comunicacion, Talca, Chile, 2009

Threats, T. Evidence based practice in aphasia: Form and Substance. Keynote address given at International Aphasia Rehabilitation Conference, Ljubljana, Slovenia, 2008.

Threats, T. Evidence based practice and the ICF: Two pillars of clinical practice. Keynote address given at New Zealand Speech-Language Therapists' Association Biennial Conference, Christchurch, New Zealand, 2006.

Threats, T. Ethical goal setting: Challenges and rewards Seminar given at New Zealand Speech-Language Therapists' Association Biennial Conference, Christchurch, New Zealand, 2006.

Threats, T. & Larkins, B. ICF assessment, goal setting, and quality of life Seminar given at New Zealand Speech-Language Therapists' Association Biennial Conference, Christchurch, New Zealand, 2006.

Threats, T. The International Classification of Functioning, Disability, and Health (ICF): Implications for Afghanistan. Presentation given to disability advocates from Afghanistan as part of program sponsored by the US Department of State. St. Louis, MO, 2006.

Threats, T. Dysphagia as a disability: A World Health Organization framework. Seminar given at Dysphagia Research Society Conference, Scottsdale, AZ, 2006.

Reed, G., Bufka, L., Saleeby, P., Stark, S., **Threats, T.**, Brandt, D. Health professions' manual for ICF: Results of clinician field trials. Presentation at 2003 Meeting of WHO Collaborating Centres for the Family of International Classifications. Cologne, Germany, 2003.

Threats, T. Clinical and research use of International Classification of Functioning, Disability, and Health (ICF). Presentation sponsored by the Heart and Stroke Foundation of Ontario to area therapists, administrators, and researchers, Toronto, Canada, 2002.

Threats, T. Evidenced Based Research: A World Health Organization Perspective Presentation given at International Stroke Conference, San Antonio, TX, 2002.

Threats, T. Input to the ICF, Beta-2 field trials for communication disorders. Presentation to the Seventh Annual North American Collaborating Center Meeting for the ICF, Washington D.C., 2000.

Refereed international presentations

Mathisen, B., **Threats, T.**, Krikheli, L., & Carey, L. Holistic Care: Speech Pathology Practice and Spirituality. Poster at Speech Pathology Australia National Conference, Adelaide, Australia, 2018.
