Area of Certification: _____

**Saint Louis University
School of Education
Practicum Placement Request Form**

*Saint Louis University School of Education recognizes that each teacher candidate needs to experience the diversity that exists today in the communities we serve. We intentionally provide all our teacher candidates with field experiences in a **variety of diverse classroom settings**. These classroom settings serve Prek-12 students at a variety of grade levels, those with exceptionalities, and those from diverse ethnic, racial, gender, and socio-economic groups. These classrooms also expose teacher candidates to various school settings, such as public schools, private schools, catholic schools, urban schools, suburban schools, and/or rural schools. The diverse classroom settings throughout the programs allows our teacher candidates to develop and practice their knowledge, skills, and dispositions for working with all students. Before filling out this form, reflect on past field work experiences, then request a setting that will impact your learning!*

Any questions please contact: Joy Voss, Ph.D., Office of Field Experiences, joy.voss@slu.edu

Grade School you attended: _____

Middle School you attended: _____

High School you attended: _____

Previous field work and/or work experience:

School District	School	Grade Level	If high school list the course
