

Undergraduate Alumni Survey Results: 2014-2015 Graduates

Response Rate = 60%

	Surveyed	Responded	Employed	Grad School	Employed & Grad School	Year of Service	Not Employed & Not Seeking	Not Employed but Seeking Employment	Employed, in Grad School, in Service, or Not Seeking Employment	Average Income of Alums Employed FT	Job Related to Major among FT Employed
Arts and Sciences	576	332	135	110	39	18	5	25	92%	\$39,421	71%
Business	452	289	191	53	16	5	9	15	95%	\$47,314	94%
Doisy	289	155	28	105	16	1	1	4	97%	\$44,423	87%
Nursing	219	140	126	2	7	0	2	3	98%	\$50,513	100%
Parks	154	88	49	22	9	1	0	7	92%	\$54,000	98%
Public Health & Social Justice	165	109	43	36	16	6	0	8	93%	\$37,339	81%
Professional Studies	95	59	41	0	13	0	0	5	92%	\$57,616	74%
Education and Public Service	51	32	22	3	0	5	1	1	97%	\$36,875	100%
University-Wide	2003	1204	635	331	116	36	18	68	94%	\$46,993	88%

Note: Some of the average incomes and job related to major percentages are based on very small numbers of survey respondents. These values may change considerably due to the experiences of just a few individuals. Please take note of the total number of respondents as you interpret these data.

Note: The School of Philosophy and Letters is not included in the results, due to having fewer than five graduates.
