2018-2019 Selective Service Form

Student's Name _____ SLU Banner ID Number _____

What is Selective Service? Selective Service is the process by which the United States government determines who is eligible for military conscription (commonly known as "the draft"). Most males between the ages of 18 and 25 are required to be registered within 30 days of turning 18. Registration is required by federal law, and is required for many federal programs, including federal student aid.

Your financial aid application cannot be processed because your Selective Service registration could not be confirmed. Processing will continue after you complete the Registration Status and Certification sections on this form. Once completed, turn the form in along with proof of registration or exemption status. If you have any questions, please contact your Financial Aid Counselor.

Please check the statement that describes your circumstance.

_____ I have not reached my 18th birthday, but will register within 30 days of my 18th birthday

_____ I was born before January 1, 1960.

_____ I am registered with Selective Service. Attached is documentation of my registration status. (If you do not have a copy of your registration, you can contact the Selective Service at www.sss.gov or by calling 1-847-688-6888).

_____ I am not required to register for Selective Service based on the fact that I entered the United States after my 26th birthday. Attached is a copy of my date stamped I-94 or port of entry papers. (www.cbp.gov – to download a copy of your entry papers)

_____ I am not registered, but have received a Status Letter from Selective Service. Attached is a copy of my status letter and a written explanation as to why I did not register.

If none of the above statements accurately describes your circumstances, please contact the Selective Service at www.sss.gov or 1-847-688-6888, to request a Status Letter that acknowledges the reason for non-registration status. When you receive the Status Letter, please submit it with your **supporting documentation** to the Financial Aid Office.
