Through the Higher Education Emergency Relief Fund (HEERF) — the federal stimulus package prompted by the COVID-19 pandemic — SLU has emergency funding available to eligible students in Summer 2021, allowing us to further assist students who demonstrate exceptional financial need.

More specifically, HEERF funds can be directed to help current undergraduate and graduate/professional students who require:

- **Immediate, need-based grants:** Grants will automatically be distributed to those students who are enrolled in the Summer 2021 term and have received a federal Pell grant during the 2020-2021 academic year. The grant amount will be awarded on a sliding scale based on the family's Expected Family Contribution and a student's enrollment status (part-time v. full-time).

These funds will be distributed in the coming weeks to students' MySLU accounts. Because these grants are automatic, there is no further action required by those students or their families.

- **Unexpected expenses grants:** We know many students face unexpected costs. We aim to help students who have incurred a range of different expenses, including (but not limited to):
  - Tuition
  - Food
  - Housing and moving expenses (e.g. rent, storage)
  - Technology (e.g. internet, routers, computers, cameras, software)
  - Transportation (e.g. unexpected travel costs)
  - Child care
  - Medical expenses
  - Increased utility costs

Students can apply for an unexpected expenses grant by completing the [Summer 2021 HEERF Grant Application](#). Funds are available on a first-come, first-serve basis. We expect to process funding decisions within 10 days after receiving an application. Please note that in some cases, additional documentation may be required, which could extend our response time.

Please note, in order to receive either type of grant, students must have room in their cost of attendance budget to receive additional funds. If you have questions about cost of attendance, please [contact your student financial services counselor](#), respond to this email, or call Student Financial Services at 314-977-2350.

We encourage you to have a bank account set up for electronic refunds through your MySLU payment suite. An electronic award of your grant will arrive much quicker than waiting for a check to be processed and mailed.

We hope this is useful information for you, our students and families in need. As always, we are OneSLU.

Sincerely,  
Student Financial Services
