The Compliance Academy includes a core curriculum of compliance related sessions and courses to promote the integration of excellent documentation, coding and compliance in clinical and business operations.

WHO needs to attend the '2011 Compliance Update' mandatory session?

- Clinical care providers
- Billing, coding and reimbursement staff members
- Business and administrative managers and staff with clinical oversight responsibilities

WHAT is the '2011 Compliance Update' mandatory session?

- A one hour session that will satisfy the annual compliance education requirement outlined in the UMG Compliance Policy
- A session which will be offered several times each month in a variety of locations that covers general compliance initiatives, prevention of fraud, waste and abuse and HIPAA privacy and security updates
- The only mandatory course/session
- All other courses/sessions offered by the Academy are **elective** unless required by your clinical department chairman or for remediation following an incident or issue

WHERE is the Compliance Academy?

- The administrative office for the Academy is located in the Compliance Department, Schwitalla Hall, Room M229, (314) 977-5545
- Courses/sessions will be held at multiple locations for easy accessibility

WHEN do I need to complete the '2011 Compliance Update' mandatory session?

- The session must be completed (attended) by **December 31, 2011**
- The session will be provided several times each month at various locations. Additionally, the session may be provided at department meetings, grand rounds, etc. upon request
