# SAINT LOUIS UNIVERSITY

# LEARNING COMMUNITY PROGRAM TRACKING
## HEALTH SCIENCES

## Health Sciences (Athletic Training and Physical Therapy)

The Health Sciences Learning Community provides the opportunity for students in the Doisy College of Health Sciences and the School of Nursing to further their understanding of and connection to the ever growing interdisciplinary world of health sciences. At the culmination of the residential experience, students will be holistically formed, critically reflective, and socially and personally responsible.

## Curricular Experience:

As part of the curricular and co-curricular living-learning requirement of the community, all Health Science AT & PT majors will be pre-registered by the LC Academic Coordinator into BIOL 1240, BIOL 1245, and CHEM based on major and track during the fall semester, as well as DPT 1212, CHEM based on major and track, IPE 1100, and DPT 1212 during the spring semester. All LC courses offered to AT & PT majors have been identified by the Learning Community Development Team in collaboration with faculty from Doisy College of Health Sciences.

## Requesting an Exemption

There are four general reasons that an LC student may be excused from one or more of their Learning Community courses: **1.)** The student has prior credit; Advanced Placement/Dual Enrollment/Transfer credit. **2.)** The student has not met a prerequisite for the LC course. **3.)** The LC course conflicts with a requirement for their major; including a course sequence issue (please note: all other LC course options and scheduling options must be exhausted before an exemption is given to the student). **4.)** The student is a student-athlete; in the Billiken Success Program; or in the INTO program and has a programming conflict.

To apply for an LC course exemption, students must contact their academic advisor and request that the advisor complete the exemption application found on the LC website: http://www.slu.edu/housing/living/learn/ Students who drop required LC courses *without* the approval of the LC program will forfeit their opportunity to obtain the Medallion award. Failure to be enrolled in at least one LC course during the Fall and one LC course in the Spring, *without* the approval of the LC Program is grounds for being required to leave the LC program, including housing reassignment onto a non-LC floor or a different residence hall.

## LC Curricular Requirements

| Fall 2020 (All of the following) | | Grade | Credit Hours |
|---|---|---|---|
| 1. | BIOL 1240: Principles of Biology I  BIOL 1245: Principles of Biology I Lab | | |
| 2. | CHEM based on major and track | | |
| Notes: | | | |

| Spring 2021 (All of the following) | | Grade | Credit Hours |
|---|---|---|---|
| 1. | DPT 1212: Student Development II | | |
| 2. | IPE 1100: Introduction to Interprofessional Health Care | | |
| 3. | CHEM based on major and track | | |
| Notes: | | | |

# MEDALLION PROGRAM PARTICIPATION EXPECTATIONS

Students who complete all curricular and co-curricular requirements of the Learning Community Program will receive a Gold Medallion and Learning Community Certificate in recognition of their commitment and achievement within their LC to be worn at Graduation.
