

LEARNING COMMUNITY PROGRAM TRACKING

Diversity & Global Citizenship

Diversity & Global Citizenship

The goal of this Learning Community (LC) is to create an open-minded environment that appreciates difference, celebrates diversity, and promotes cultural education. This LC explores the human experience on a global scale and helps students to answer the question: “What does it mean to live in a global society?” At the culmination of the residential experience, students will be holistically formed, critically reflective, and socially and personally responsible.

Curricular Experience

As part of the curricular and co-curricular living-learning requirement of the community, **ALL** D&GC students will be pre-registered by the LC Academic Coordinator into **UNIV 1010**, and either **POLS 1510** or **SOC 1180** during the fall semester, as well as **CMM 2300/AAM 2500**, or **SOCL/ANTH 2080**, or **ASTD 3200** during the spring semester. All courses offered to D&GC students have been identified by the Learning Community Development Team in collaboration with faculty from the School of Arts and Sciences to meet University requirements.

Requesting an Exemption

There are four general reasons that an LC student may be excused from one or more of their Learning Community courses: **1.)** The student has prior credit; Advanced Placement/Dual Enrollment/Transfer credit. **2.)** The student has not met a pre-requisite for the LC course. **3.)** The LC course conflicts with a requirement for their major; including a course sequence issue (please note: all other LC course options and scheduling options must be exhausted before an exemption is given to the student). **4.)** The student has a status conflict such as Pres-Scholar or Med-Scholar; student-athlete; participant in the Billiken Success Program or in the INTO program and has a programming conflict.

To apply for an LC course-exemption, students must complete the exemption application found on the LC website: <http://www.slu.edu/housing/living/learn/> or request that their academic advisor complete the google document LC Associated Course changes application on their behalf. Students who drop required LC courses *without* the approval of the LC program, will forfeit their opportunity to obtain the Medallion award. Failure to be enrolled in at least one LC course during the Fall and one LC course in the Spring, *without* the approval of the LC Program is grounds for being required to leave the LC program, including housing re-assignment onto a non-LC floor or a different residence hall.
