

LEARNING COMMUNITY PROGRAM TRACKING Health Sciences (General)

Health Sciences (General)

The Health Sciences Learning Community provides the opportunity for students in the Doisy College of Health Sciences and the School of Nursing to further their understanding of and connection to the ever-growing interdisciplinary world of health sciences. At the culmination of the residential experience, students will be holistically formed, critically reflective, and socially and personally responsible.

Curricular Experience

As part of the curricular and co-curricular living-learning requirement of the community, **ALL** Health Sciences students will be pre-registered by the LC Academic Coordinator into **HSCI 1000, CHEM 1110, BIOL 1240 (and associated lab), and UNIV 1010** during the fall semester, as well as **THEO 1000 and PSYC 1010** during the Spring semester. All LC courses offered to Health Sciences majors have been identified by the Learning Community Development Team in collaboration with faculty and advisors from the Doisy College of Health Sciences.

Requesting an Exemption

There are four general reasons that an LC student may be excused from one or more of their Learning Community courses: **1.)** The student has prior credit; either Advanced Placement/Dual Enrollment/Transfer credit. **2.)** The student has not met a pre-requisite for the LC course. **3.)** The LC course conflicts with a requirement for their major; including a course sequence issue. (Note: All other LC course options and scheduling options must be exhausted before an exemption is given to the student). **4.)** The student has a status conflict such as Pres-Scholar, Med-Scholar, student-athlete; in the Billiken Success Program; or in the INTO program and has a programming conflict.

To apply for an LC course-exemption, students must complete the exemption application found on the LC website

<http://www.slu.edu/housing/living/learn/> or request that their academic advisor complete the google document LC Associated Course changes application on their behalf.

Students who drop required LC courses *without* the approval of the LC program, will forfeit their opportunity to obtain the Medallion award. Failure to be enrolled in at least one LC course during Fall and one LC course in the Spring is grounds for being required to leave the LC program, including housing re-assignment onto a non-LC floor.

LC Curricular Requirements

Fall 2018 (Four Courses)		Grade	Credit Hours
1.	HSCI 1000: Intro to Health Sciences		
2.	*CHEM 1110: General Chemistry I		
3.	BIOL 1240: Principles of Biology I		
*CHEM 1050 is the prerequisite for CHEM 1110			
Notes:			
Spring 2019 (Four Courses)		Grade	Credit Hours
1.	THEO 1000: Theological Foundations		
2.	PSYC 1010: General Psychology		
Notes:			

Medallion Program Participation Expectations

Students who complete all curricular and co-curricular requirements of the learning Community Program will receive a Gold Medallion and Learning Community Certificate in recognition of their commitment and achievement within their LC to be worn at Graduation.

Fall Co-Curricular Expectations

LC Orientation:		
	Three Faculty-Led Events:	Date:
1.		
2.		
3.		
	Four Community Experiences:	Date:
1.		
2.		
3.		
4.		
Fall Mapworks Assessment (Date Submitted):		
10 Hours of Community Service. Please include sites, dates, hours, name of organization, and contact information for supervisor:		
Fall Reflection (Date Submitted):		

Spring Co-Curricular Expectations

	Two Faculty-Led Events:	Date:
1.		
2.		
	Four Community Experiences:	Date:
1.		
2.		
3.		
4.		
Spring Mapworks Assessment (Date Submitted):		
10 Hours of Community Service. Please include sites, dates, hours, name of organization, and contact information for supervisor:		
Spring Reflection (Date Submitted):
