

## LEARNING COMMUNITY PROGRAM TRACKING

### Health Sciences (Athletic Training & Physical Therapy)

#### Health Sciences (Athletic Training & Physical Therapy)

The Health Sciences Learning Community provides the opportunity for students in the Doisy College of Health Sciences and the School of Nursing to further their understanding of and connection to the ever-growing interdisciplinary world of health sciences. At the culmination of the residential experience, students will be holistically formed, critically reflective, and socially and personally responsible.

#### Curricular Experience

As part of the curricular and co-curricular living-learning requirement of the community, **ALL** Health Science AT & PT students will be pre-registered by the LC Academic Coordinator into **BIOL 1100 (plus a lab section)**, and **CHEM 1083** during the fall semester, as well as **THEO 1000**, **DPT 1212**, **CHEM 1483**, and **IPE 1100** during the Spring semester. All LC courses offered to AT & PT students have been identified by the Learning Community Development Team in collaboration with faculty and advisors from the Doisy College of Health Sciences.

#### Requesting an Exemption

There are four general reasons that an LC student may be excused from one or more of their Learning Community courses: **1.)** The student has prior credit; either Advanced Placement/Dual Enrollment/Transfer credit. **2.)** The student has not met a pre-requisite for the LC course. **3.)** The LC course conflicts with a requirement for their major; including a course sequence issue. (Note: All other LC course options and scheduling options must be exhausted before an exemption is given to the student). **4.)** The student has a status conflict such as Pres-Scholar, Med-Scholar, student-athlete; in the Billiken Success Program; or in the INTO program and has a programming conflict.

To apply for an LC course-exemption, students must complete the exemption application found on the LC website

<http://www.slu.edu/housing/living/learn/> or request that their academic advisor complete the google document LC Associated Course changes application on their behalf.

Students who drop required LC courses *without* the approval of the LC program, will forfeit their opportunity to obtain the Medallion award. Failure to be enrolled in at least one LC course during Fall and one LC course in the Spring is grounds for being required to leave the LC program, including housing re-assignment onto a non-LC floor.
