

LEARNING COMMUNITY PROGRAM TRACKING

Honors

Honors

The University Honors Program is known for its commitment to holistic and interactive learning. As an LC, Honors adds an extra layer to the learning process by providing a living space for Honors students to learn together. At the culmination of the residential experience, students will be holistically formed, critically reflective, and socially and personally responsible.

Curricular Experience

Course participation is a mandatory component of the LC experience. As part of the curricular and co-curricular living-learning requirement of the community, **ALL** Honors students will be pre-registered by the LC Academic Coordinator into **HR 1900, PHIL 1050** and **THEO 1000** during the fall semester, and are required to take an **Honors cross-listed course** during the spring semester. All courses offered to Honors students have been identified by the Learning Community Development Team in collaboration with the Honors University Program..

Requesting an Exemption

There are four general reasons that an LC student may be excused from one or more of their Learning Community courses: **1.)** The student has prior credit; Advanced Placement/Dual Enrollment/Transfer credit. **2.)** The student has not met a pre-requisite for the LC course. **3.)** The LC course conflicts with a requirement for their major; including a course sequence issue (please note: all other LC course options and scheduling options must be exhausted before an exemption is given to the student). **4.)** The student has a student conflict such as Pres-Scholar or Med-Scholar; student-athlete; participant in the Billiken Success Program; or in the INTO program and has a programming conflict.

To apply for an LC course-exemption, students must complete the exemption application found on the LC website: <http://www.slu.edu/housing/living/learn/> or request that their academic advisor complete the google document LC Associated Course changes application on their behalf. Students who drop required LC courses *without* the approval of the LC program, will forfeit their opportunity to obtain the Medallion award. Failure to be enrolled in at least one LC course during the Fall and one LC course in the Spring, *without* the approval of the LC Program is grounds for being required to leave the LC program, including housing re-assignment onto a non-LC floor or a different residence hall.
