

LEARNING COMMUNITY PROGRAM TRACKING

Leadership for Social Change

Leadership for Social Change (LSOC)

This learning community (LC) is recommended for aspiring student leaders of all majors and specifically geared toward English, philosophy, theology, theatre, music, art history, studio art, foreign language, education, psychology, sociology, anthropology, and other arts and sciences majors. At the culmination of the residential experience, students will be holistically formed, critically reflective, and socially and personally responsible.

Curricular Experience

Course participation is a mandatory component of the LC experience. As part of the curricular and co-curricular living-learning requirement of the community, **ALL** LSOC students will be pre-registered by the LC Academic Coordinator into **UNIV 1010, PSY 1010**, and either FPA 1100 or SOC 1500 during the fall semester as well as **THEO 1000** and ASTD 2700 or PSY 3930 during the spring semester. All courses offered to LSOC students have been identified by the Learning Community Development Team in collaboration with faculty to meet University requirements and requirements of the Arts and Sciences curriculum.

Requesting an Exemption

There are four general reasons that an LC student may be excused from one or more of their Learning Community courses: **1.)** The student has prior credit; Advanced Placement/Dual Enrollment/Transfer credit. **2.)** The student has not met a pre-requisite for the LC course. **3.)** The LC course conflicts with a requirement for their major; including a course sequence issue (please note: all other LC course options and scheduling options must be exhausted before an exemption is given to the student). **4.** The student has a status conflict such as Pres-Scholar or Med-Scholar; student-athlete; participant in the Billiken Success Program or in the INTO program and has a programming conflict.

To apply for an LC course exemption students must complete the exemption application found on the LC website: <http://www.slu.edu/housing/living/learn/> or request that their academic advisor complete the google document LC Associated Course changes application on their behalf. Students who drop required LC courses *without* the approval of the LC program, will forfeit their opportunity to obtain the Medallion award. Failure to be enrolled in at least one LC course during the Fall and one LC course in the Spring, *without* the approval of the LC Program is grounds for being required to leave the LC program, including housing re-assignment onto a non-LC floor or a different residence hall.
