

LEARNING COMMUNITY PROGRAM TRACKING

MICAH: LIVING THE MISSION

Micah: Living the Mission

The Micah Learning Community welcomes students of all faiths and majors. Together Micah students take several courses that fulfill some of the university's core requirements. Micah community members will perform three hours of service a week together at one of 13 model sites. At the culmination of the residential experience, students will be holistically formed, critically reflective, and socially and personally responsible.

Curricular Experience:

As part of the curricular and co-curricular living-learning requirement of the community, all Micah students will be pre-registered by the LC Academic Coordinator into PHIL 1050, and THEO 1000 during the fall semester, as well as CMM 1300, and AAM 2000, ASTD 3200, or LAS 3000, during the spring semester. All courses offered to Micah students have been identified by the Learning Community Development Team in collaboration with faculty from students' respective colleges to meet University requirements.

Requesting an Exemption

There are four general reasons that an LC student may be excused from one or more of their Learning Community courses: **1.)** The student has prior credit; Advanced Placement/Dual Enrollment/Transfer credit. **2.)** The student has not met a prerequisite for the LC course. **3.)** The LC course conflicts with a requirement for their major; including a course sequence issue (please note: all other LC course options and scheduling options must be exhausted before an exemption is given to the student). **4.)** The student is a student-athlete; in the Billiken Success Program; or in the INTO program and has a programming conflict.

To apply for an LC course exemption, students must contact their academic advisor and request that the advisor complete the exemption application found on the LC website: <http://www.slu.edu/housing/living/learn/> Students who drop required LC courses *without* the approval of the LC program will forfeit their opportunity to obtain the Medallion award. Failure to be enrolled in at least one LC course during the Fall and one LC course in the Spring, *without* the approval of the LC Program is grounds for being required to leave the LC program, including housing reassignment onto a non-LC floor or a different residence hall.
