

2021 Summary of Benefits upon Separation of Employment

The following details describe what will happen to your benefits upon leaving the University.

Health (Medical, Dental and Vision) Insurance

Active medical, dental and vision coverage for you and your dependents ends on the last day of the month in which your employment ends. For example, if your termination date is October 10, your health insurance ends on October 31. Please note that if you terminate on the last day of the month, benefits will end that same day.

If you have health (medical, dental and vision) insurance coverage through the University when your employment ends, you will generally be eligible to continue coverage for up to 18 months through COBRA. After your termination, you will receive the COBRA Continuation Election Notice from Sax Benefits Group. Please note the following conditions:

- You must choose coverage under COBRA within 60 days from the day you receive the COBRA Continuation Election Notice. The date will be specified in the Notice you receive.
- You must pay the entire premium. When you are no longer an active employee, the University no longer pays a portion of the premium.
- You cannot change your health insurance plan until the next open enrollment period.
- If you are under “employee only” coverage when you terminate your employment with the University, you cannot change the coverage to a different level unless you experience a “qualifying event” as defined by the IRS. If you experience a qualifying event, you must notify Sax Benefits Group within 30 days of the event to make a change to your coverage.
- If you have a spouse or dependents covered when you terminate employment, your spouse and/or dependents may elect coverage under COBRA regardless of whether you elect COBRA coverage.
- You may be able to find more affordable coverage through the Health Insurance Marketplace. More information can be found at www.healthcare.gov.

If you enrolled in the Flexible Spending Account (FSA), your contributions to your FSA stop with your last paycheck (unless you are eligible and elect to continue contributions to your FSA under COBRA). Please note the following:

- You have until April 30 of the year following your termination of employment to submit claims for expenses that you incurred on or prior to your last day of employment.
- If you have a ConnectYourCare debit card for Healthcare FSA, you must destroy the card and NOT use it past your termination date. If you use the debit card past your end of employment date, you are responsible to repay those charges.

- If you elect COBRA for the Healthcare FSA, you will continue to contribute on an after-tax basis. This allows you to submit claims for expenses incurred after your termination date if you continue to make your COBRA payments. Please note, you will have to submit paper claims to ConnectYourCare.
- Contact ConnectYourCare if you have questions regarding claims submission, account balances or pending claims at 888-339-3819.
