Experiential Education: The Law School supports legal clinics and field placements, which provide exceptional experiential educational opportunities for law students. SLU LAW Legal Clinics and clinical faculty have been awarded the 2015 Clinical Legal Education Association Award, the Super Lawyers Pro Bono for the year 2014 and have been recognized nationally by a number of organizations. Law students participate in clinical education annually in a variety of programs (Business Law and Innovation, Civil Advocacy, Criminal Defense, Entrepreneurship & Community Development, Field and Judicial Process Placements) and practice areas.

MY RESEARCH INTEREST

My research interest is to study the intersection of law, entrepreneurship and regulation and to explore the variety of ways that our society, through its institutions, organizations and laws can spur and maximize innovation, entrepreneurship and prosperity for the greater good. Of particular interest are the opportunities, barriers and challenges that impact startups through later stages of business growth.
