

Vitality's Gym Rebate Program Highlights

Simon Recreation Center

- SLU Employees must reach the minimum workout threshold of **100 workouts** by the end of the Vitality year (September 30th) before rebate can be requested & awarded.
- SLU Employees can receive a rebate of up to \$350 for their gym membership (cost of a Faculty/Staff membership at Simon Recreation Center).
- Spouses can earn back \$300 here at the Simon Rec Center (this is our Annual membership rate) or up to \$350 at other gyms, depending on total gym fees.
- Points are awarded through:
 - Monthly workout submissions from Simon Rec Center*
 - Vitality Today app via gym check-in functionality
 - Vitality compatible fitness tracking device (Fitbit, Garmin, Apple Watch)
 - Connecting with a FREE smartphone app such as Apple's Health app or MapMyFitness or Google Fit
 - Online submission**
- Only Standard and Advance workouts count toward your 100 workout goal
- The member's rebate will not be more than his or her gym dues for the program year and may only submit for reimbursement once.
- **If a member is on Payroll Deduction at the Simon Rec Center, they will want to wait until the end of the Vitality year to submit for reimbursement since they will want to show they've paid the full \$350 for the year.** For example, if you reach your 100 workouts in June and are on Payroll Deduction, you've only "paid in" 6 months worth of membership fees, so Vitality will only reimburse you what you've already paid. Since you can only submit for your rebate one time per Vitality year, it is best to wait until you can get the largest rebate amount possible.
- Once you've reached your workout minimum requirement and are ready to submit for reimbursement, follow the steps on the next page of this document.

**Monthly Submission* -The Simon Rec Center submits visit history for our SLU Faculty/Staff/Spouse members between the 1st and 15th of each month for the prior month. No additional setup is required for us to submit on your behalf – just swipe in each time you come to workout (*Please note: We are the ONLY gym that submits workouts for members*).

***Online Submission* - Vitality needs proof of workouts from your gym. The Simon Rec Center will automatically send these, but if you ever need your visit list you can access the past 30 days by following the steps below:

- Visit shopcampusrec.slu.edu
- Click on "Log In" in the upper right-hand corner of the screen
- Login by clicking on the blue box "sign in with login.slu.edu" and using your SLU username and password.
- Once you're logged in, you'll see your username in the top right-hand corner for the screen. Click on your username and then click on profile.
- Next, click on "Facilities" on the left-hand side of the screen and then click on "Access History".
- Here, you should be able to access/view your facility access history and share this information with Vitality through their online submission process. I recommend taking a screen shot, putting in a Word document and then saving as a PDF to upload to Vitality.
