

The SLU Student Health Center (SHC) and Walgreens are partnering to make sure your prescription medication is easily attainable. You can set up an ExpressPay account and the Walgreens at the SLUCare doctor's office building will deliver your medication directly to the Student Health Center on SLU's campus. Prescriptions from SHC physicians or any of your doctors at home can be handled easily through Walgreens ExpressPay and delivered for you to conveniently pick up on campus. Visit <http://www.walgreens.com/pharmacy/expresspay-info> for more information. You can set up an account online or call 314-771-2900 to pay any copays owed over the phone and start receiving your medication on campus.
