SEXUAL ASSAULT AWARENESS MONTH

2021 marks the 20th anniversary of Sexual Assault Awareness Month.

Even before becoming official, Sexual Assault Awareness Month (SAAM) was about both awareness and prevention of sexual assault, harassment and abuse. Looking at the history of the movement to end sexual violence, it’s clear why: It’s impossible to prevent an issue no one knows about, and it’s difficult to make people aware of a problem without providing a solution. The two work in tandem, and they always have. From the civil rights movement to the founding of the first rape crisis centers to national legislation and beyond, the roots of SAAM run deep. To learn more about the origins of SAAM and the women of the BIPOC community that championed this advocacy work, visit the National Sexual Violence Resource Center website.

Campus Rec & Wellness is hosting a number of programs during the month of April. A few recommended programs for members of the Fraternity & Sorority Life community are:

4/7 at 7 p.m. Yes! Yes! Yes! - A virtual event with Jeff Buscholtz that provides an engaging, interactive way to discuss how culture facilitates sexual violence.

4/13 Traveling Postcards - An exhilarating art experience for survivors and allies! Create your own postcard that will travel to other survivors across the country.

4/28 Denim Day - Support Denim Day by donning your jeans and sporting your virtual teal ribbons!

**Student Spotlight**

Kalynn Clearwater, a member of **Kappa Delta**, is the Panhellenic **Director of Greek Week** this year. Kalynn is a junior studying Physical Therapy. Her favorite part of Greek Week is experiencing everyone compete against each other, but also the opportunity to form bonds with other community members while raising money for incredible organizations. This year, Kalynn is the most excited for the NPHC speaker because it will help educate other FSL members on the other council at SLU and spotlight the hard work they do! After being a member of the Greek Week Committee last year, she fell in love with the planning side of greek week. Kalynn says "while it has been hectic, I wouldn’t change it for the world. I’m so excited for it to finally happen. See y’all out there!"

**Student Spotlight**

Nick Navarrete, a member of Tau Kappa Epsilon, is the VP of Greek Week and Public Relations for IFC. Nick is studying biomedical engineering on the pre-med track. Nick’s favorite part of Greek Week is seeing the members of the Panhellenic and IFC community form new connections. This year, Nick is most excited for the scavenger hunt because it will be a fun way for people to get outside and explore campus. He wanted to help plan Greek Week because he genuinely believes that the Greek life community is one of the strongest communities on campus and this week is a time to celebrate everything we stand for while giving back to our community.
