**FSL ALUMNI HIGHLIGHT**

Bobby Wassel, Ph.D.

Bobby Wassel attended Indiana University where he was an esteemed member of Kappa Sigma Fraternity. Bobby loved being a member of the FSL community because it provided him a community to connect with while he was a little lost in the crowd at a large state school. From being in FSL at Indiana Bobby learned the value of teamwork, and also responsibility to each other. After college he spent a year of service after graduating, working with the poor in Appalachia. Part of the experience was working with college students who would travel on Spring and Winter break service trips. There he learned that he really enjoyed working with college students. Now Bobby works in the Center for Service and Community Engagement here at SLU. Bobby's advice to students is:

"Be open to new experiences, and work in strengthening your resiliency - life will throw you curveballs, and it's how you respond to these and move forward that will determine your success."
