Beneath the fleur de lis is Saint Louis University in SLU blue, followed underneath by a divider line in SLU blue, followed underneath by Center for Accessibility and Disability Resources in SLU blue.

Faculty Feedback Survey Report

2020-2021

Purpose

The purpose of this survey was to obtain faculty experiences and perspectives of the 2020-2021 academic year, especially with the impact of the COVID-19 pandemic. This data was collected under the department name *Disability Services* before rebranding to *The Center for Accessibility and Disability Resources* in mid 2021. The Center for Accessibility and Disability

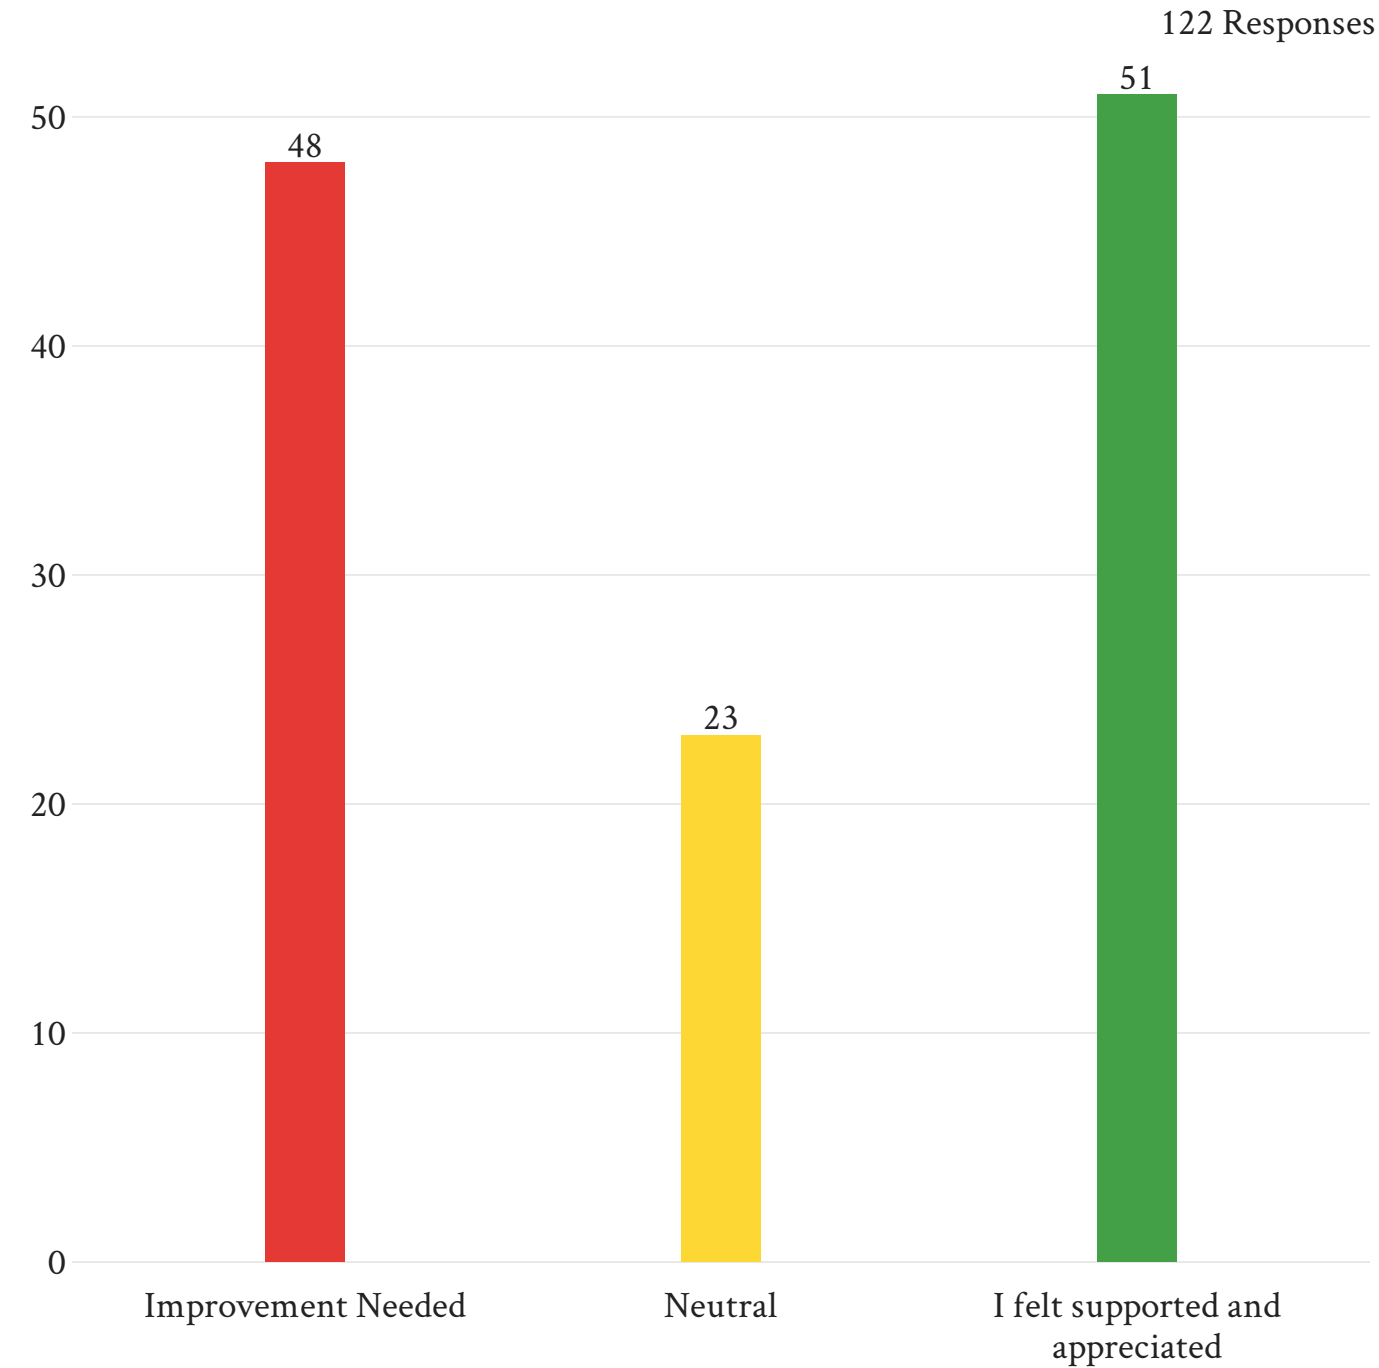

Resources' goal is to collect data and feedback from faculty to make continuous improvements to the services and resources provided. This survey is being made public for transparency and to show areas of growth and needs.*

The mission of the Center for Accessibility and Disability Resources is to foster equitable experiences for students with disabilities at Saint Louis University.

*** Some information collected during the survey is not being made public to honor anonymity.**

Q1. In general, how would you rate your interactions with the staff members of Disability Services?

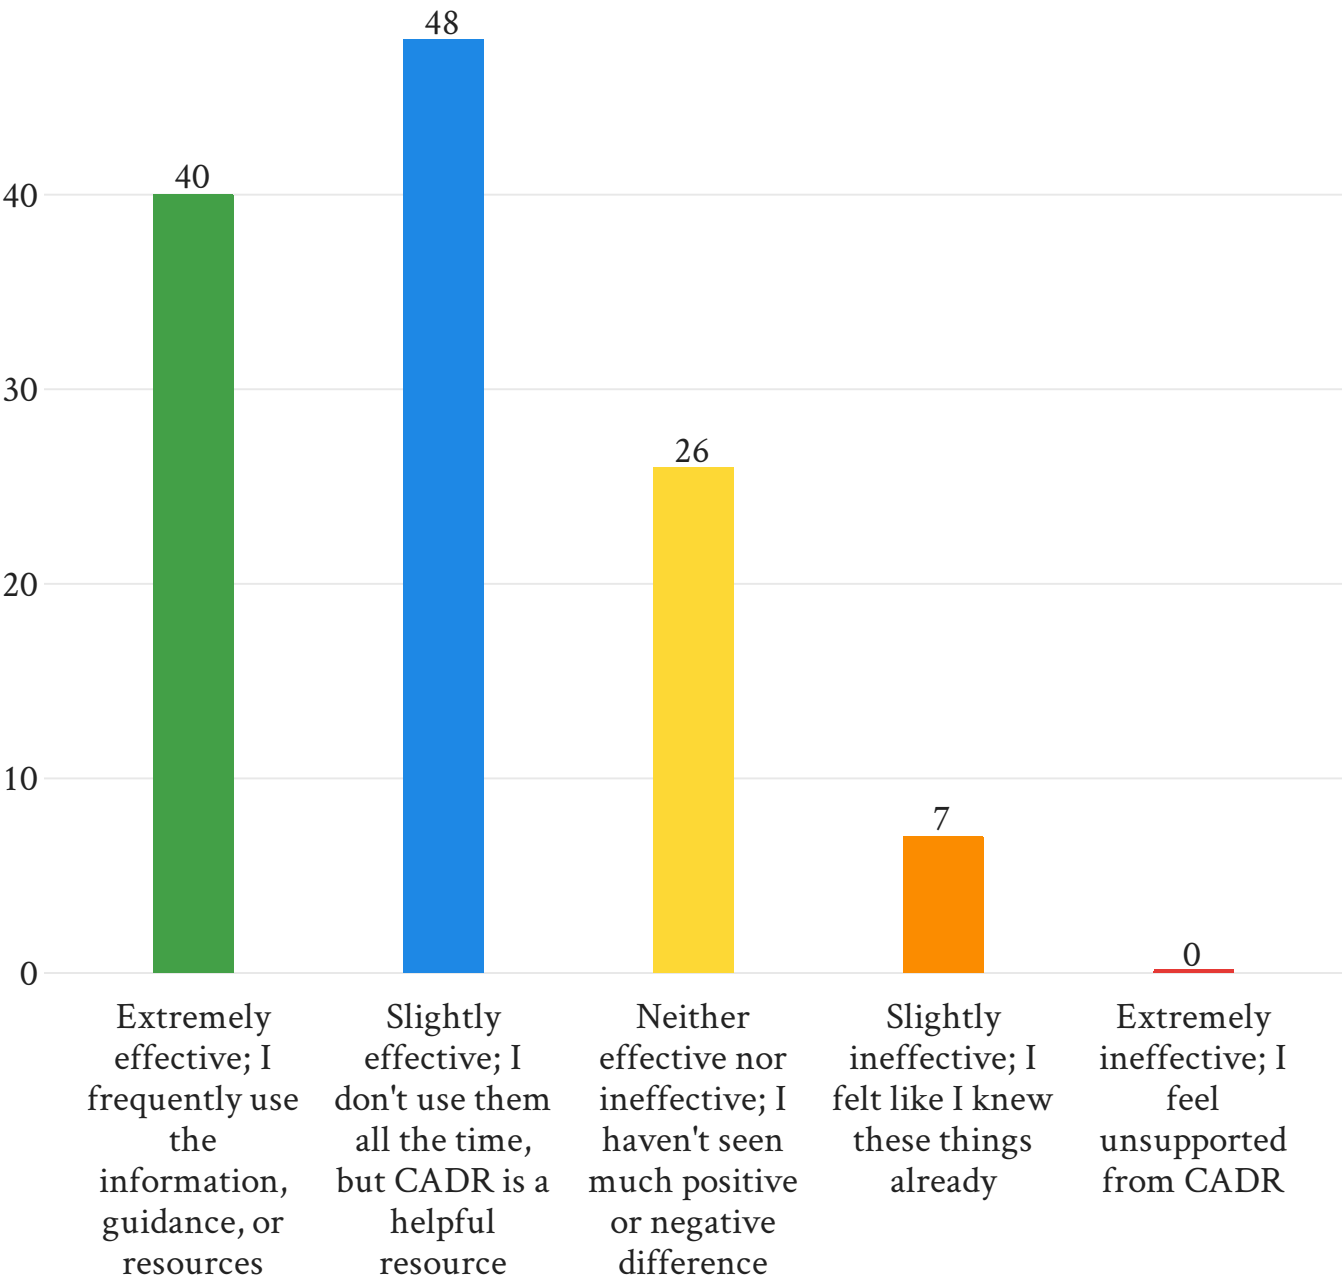

Alt Text: a bar graph with three bars from left to right: red, yellow, green.

Q2. How effective is the information, guidance, or resources provided by Disability Services?

Alt Text: a bar graph with five bars from left to right: green, blue, yellow, orange, red.

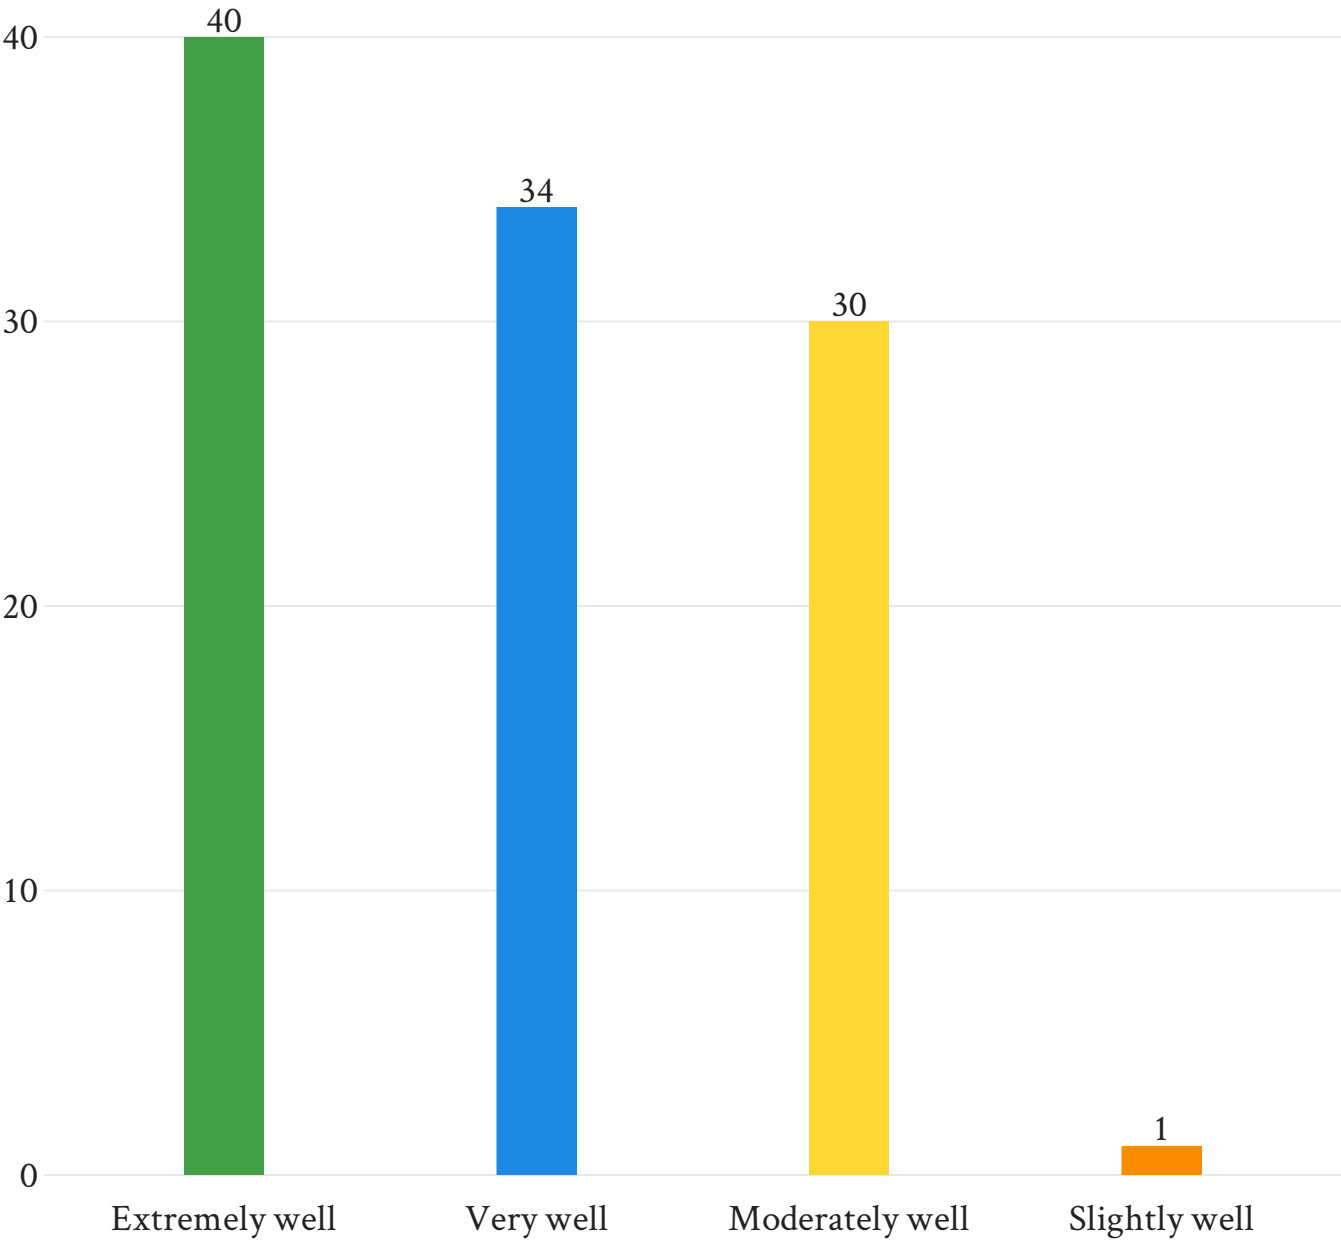

123 Responses
