<i>Language Requirement (0-6 Credits)*</i>	
<i>Capstone Requirement</i>	

Other courses with a majority of material related to the Middle East may count toward the minor with the approval of the program coordinator.

Language requirement:

*Students complete the language requirement by **a)** successfully completing 2 semesters (6 credit hours) of Arabic, or **b)** qualification of competency in Arabic. Students who desire to study a different language of importance to the region are invited to consult with the program coordinator.

**If language competency is verified, the student is exempt from taking languages courses, but must choose one additional 3-hour elective from the list of approved courses.
