

Summer in Spain

At Saint Louis University's Madrid Campus

Madrid's temperatures often climb into the high 90's, but there's no cooler place to be in the summer, and it's not just that SLU-Madrid's modern buildings are air-conditioned. The city itself is bursting with its colorful traditions. It comes alive with open-air cinemas, concerts by international artists and outdoor restaurants, bars and venues that stay open late into the night. Our classes are rigorous: they fulfill credits towards your degree. Our campus has all the amenities you need as a student. You've an extraordinary summer experience ahead of you, at SLU-Madrid.

How to Make Madrid Your Campus

Apply Early! Summer applications must be submitted by March 1.

Admitted students can register and reserve their place in classes starting as early as February 18.

- Students requiring visas to enter Spain should apply for a visa at least two months prior to the first day of classes.
- Some courses and special programs have earlier application deadlines.
- For admission and English language requirements, please see our webpage.

Tuition and Fees: SLU-Madrid's summer tuition is about half the rate of our fall and spring semester tuition. The Summer 2019 rate was 540 euros per credit (\$615, based on the March 1, 2019 exchange rate); 2020 tuition and housing rates will be posted online in February.

Housing: SLU-Madrid connects you with its own host family housing as well as student residence halls in Spain. There's no housing requirement. You can choose what's best for you.
