

Summer in Spain

At Saint Louis University's Madrid Campus

Madrid's summer kicks off mid-May with the San Isidro Festival. The city comes alive with open-air cinemas, concerts by international artists, and outdoor restaurants, bars and venues that stay open late into the night.

SLU-Madrid's rigorous classes fulfill credits towards your degree. Our campus has all the amenities you need as a student.

You will have an extraordinary summer experience ahead of you at SLU-Madrid.

How to Make Madrid Your Campus

Apply Early! Summer applications must be submitted by March 1. Admitted students can register and reserve their place in classes starting as early as Wednesday, February 17.

- Students requiring visas to enter Spain should apply for a visa at least two months prior to the first day of classes.
- Some courses and special programs have earlier application deadlines.
- For admission and English language requirements, please see our webpage.

Tuition and Fees: SLU-Madrid's summer tuition is about half the rate of our fall and spring semester tuition. The Summer 2020 undergraduate per-credit rate was 560 euros (\$627); the M.A. rate was 790 euros (\$885). 2021 rates will be posted in February.

Housing: SLU-Madrid connects you with its own network of host family housing as well as student residence halls in Spain. There's no housing requirement for SLU students; some partner institutions require students to take part in the host family experience.
