First Residency Card (TIE)

The purpose of this guide is to help you with the process of obtaining a Spanish Residency Card (TIE) before your Spanish Visa expires, a requirement to be legal in Spain. While the process may seem a bit complex, do not be concerned, as the Office of Student Life is available to assist you.

Upon entry to Spain (or any of the Schengen countries), you have 30 days to apply for your Spanish Residency Card (TIE). Please visit Carlos Villar at the Office of Student Life within these 30 days in order to get started. He will assist you during the TIE application process with:

- Setting up an appointment with the government authority that issues the TIE to present application documents and get your fingerprints taken
- Filling the necessary forms (Ex-17 and 790 012) required for the application (you will be responsible for making payment of the fees associated with these forms at a bank close to the university)

Please keep the following documents safe and at hand:

- Your Passport (that should have been stamped by authorities upon entrance to Spain or another Schengen country)
- Your Visa
- Your Boarding Pass or travel document with which you entered Spain or any other Schengen country

Come to the Student Life Office to see Carlos Villar as soon as possible. Carlos will set up the appointment with the local authorities and he will mentor you through the TIE application process.

This process includes:

With all these documents you will go on the date of the appointment to the Police Station at *Aluche* where you will have your fingerprints taken.

After 30 days, you must return to *Aluche* with the document they gave you, to collect your Residency Card.

Please check the expiration date. You must renew your card every year.

The TIE Renewal Process

The validity of the TIE is usually one year, and you need to renew it yearly before the expiration date printed on the card. Please note however, that this year begins at the date of presentation and not when you actually receive the physical card.
