The Memory Clinic Speakers Series at Saint Louis University

“Advanced Directives and Planning the Next Stage of Care”

Joan Bretthauer, MS, BS & Kim Gladstone, MA, RN
May 18th, 2020 (9am CST/10am EST)
Contact Number for Questions and Directions: 314-977-9759 or email at memoryclinic@health.slu.edu

Often, caregivers will have difficulties making health, financial or life decisions for their loved one. These challenges can be ongoing and require the caregiver to be knowledgeable about the legal rights they have in their role. In this talk, Joan and Kim will cover the basics of Advanced Directives and when caregivers should start thinking about the next stages of care for their loved ones.

These talks are available via Zoom (available either video or by phone)
