

SAINT LOUIS
UNIVERSITY

Practical Anatomy & Surgical Education (PASE) *CME Certificate Information*

Thank you for your participation of our Workshop!

Your CME Certificate will be available approximately 3-4 weeks following completion of the workshop.

Please look for an email from the Saint Louis University School of Medicine CME Department with the Course Name within the subject line.

This email will contain your login information, your password, and a link for you to access and print your certificate. Please note, in order to print the certificate, you will need to answer a brief question regarding the workshop.

For questions regarding workshop registration, please contact the Program Coordinator by emailing pa@slu.edu.

For questions regarding CME Certificates, please contact our CME Department by emailing cme@slu.edu
