Part I Only .....	\$1,095

*The education the participant gains through our CME activities does not satisfy training requirements to perform the surgery.*

For Further Course Details and REGISTRATION Click On (or type in your internet browser) the link below:

[slu.edu/medicine/pase](http://slu.edu/medicine/pase)

This workshop will be held at the PASE Learning Center located in Young Hall, 3839 Lindell Boulevard, Saint Louis, MO 63108

## Educational Objectives

- Identify and critically analyze the typical and atypical changes associated with facial aging
- Discuss and evaluate the aesthetic and functional anatomy of the head and neck, and the interplay between the two – ie, how to maximize aesthetic results whilst preserving vital structures
- Develop the manual skills required by practice on actual cadaver specimens so as to understand the “feel” of the multiple and varied tissue planes that exist in the human face and neck
- Perform basic and advanced facelifting techniques on specimens, for the management of the aging lower face
- Review and perform techniques to restore facial balance autologous fat transfer
- Discuss and perform surgical procedures for treatment of the aging neck

## Continuing Education

Saint Louis University School of Medicine designates this live activity for a maximum of:

**Part I (Days 1 and 2 only)** - 14.0 AMA PRA Category 1 Credit(s)<sup>™</sup>

**Part II (Day 3)** - Optional Live Surgery Observership - Additional 5.75 AMA PRA Category 1 Credit(s)<sup>™</sup>

Physicians should only claim credit commensurate with the extent of their participation in the activity.

## Accreditation

Saint Louis University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The education the participant gains through our CME activities does not satisfy training requirements to perform the surgery.
