The Marcella Cohen Scholarship
The Home Health Care Foundation has designated a scholarship in honor of Marcella Cohen, the first CEO of Visiting Nurse Association of Greater St. Louis.

The Charles How Wallace Scholarship
The Home Health Care Foundation has designated a scholarship in honor of Charles How Wallace. Mr. Wallace retired in 2006 as Chairman of the Home Health Care Foundation after providing 37 years of continued volunteer service and leadership to the VNA of Greater St. Louis, the VNA Foundation, and the Home Health Care Foundation. Mr. Wallace was one of three VNA officials who founded the VNA Foundation in 1975. In 1993, the VNA Foundation changed its name to the Home Health Care Foundation, and it continues the principal purpose of annually funding nursing scholarships to the local nursing schools in St. Louis.

The Teddi Johnson Scholarship
Teddi (Theodora) Johnson served as a member of the Home Health Care Foundation Board for more than ten years, and was actively involved in the development and administration of the Foundation's scholarship programs. She demonstrated continuing concern and dedication to the work of the Foundation in providing opportunities for nursing, physical therapy, and occupational science and therapy students in the St. Louis area.

Ms. Johnson worked at the Visiting Nurse Association of Greater St. Louis for more than 33 years, as a staff nurse, Aide Supervisor, Nursing Supervisor, and District Manager, and retired as Vice President of Clinical Services, having served in that position for 13 years. She had previously worked as Head Nurse at a major hospital in St. Louis.

Ms. Johnson served on the American Diabetes Association Board for many years, and, at the request of the Mayor of the City of St. Louis, served on a committee to help bring the old St. Louis City Chronic Hospital/Nursing Home into compliance with state and federal regulations. Additionally, she served on a number of local agency Boards to establish and maintain ancillary health care careers in St. Louis.

Ms. Johnson graduated from the Jewish Hospital School of Nursing in 1959, studying on a full scholarship, and was one of the first African-Americans to be admitted to the school. She later studied at Saint Louis University School of Nursing in the RN Transfer Program and enrolled in Management classes at Meramec Community College, St. Louis.
The Home Health Care Foundation offers scholarships to School of Nursing students who have completed their first two years of studies and are pursuing a degree in the Bachelor of Science - Nursing on a full-time basis. Applicants must maintain a 3.0 cumulative grade point average. Students who are on academic or professional probation are not eligible to apply for this scholarship. Applicants will be reviewed based upon financial need, academic record, and commitment to the nursing profession. Please type or write neatly in the spaces provided on this page.
