#### BUDGET PAYMENT PLAN

Students who would like to pay their tuition in installments may arrange to participate in this plan. Payments must be received prior to the due dates to prevent late fees and registration holds.

#### DIRECT BILLING TO EMPLOYERS

Students whose employers will pay tuition costs directly to the University may use the company billing process. Contact the Office of Financial Services at (314) 977-2350 to take advantage of this service.

#### DEFERRED PAYMENT OPTION

The School for Professional Studies offers special financial arrangements for students whose employers reimburse tuition costs after completion of a course. To take advantage of the deferred payment option, students must submit documentation indicating the employer’s reimbursement amount and the student’s eligibility to the Office of Student Financial Services prior to the beginning of each semester this option is to be used. Tuition or fees not paid by employers are due on the regular payment due dates. Under this option, students are responsible for the full tuition amount, whether or not the reimbursement is received. Additionally, a 1% per month finance charge will be assessed on open balances after the deferred payment due date. Payment must be received prior to the deferred deadline to ensure continued eligibility for deferment and prevent late fees and holds on future registration.

#### FINANCIAL ASSISTANCE: HOW IT WORKS

Saint Louis University is committed to providing scholarship and financial aid programs to recognize academic excellence and to make a SLU education affordable. In addition to offering merit-based and need-based scholarships, SLU provides need-based scholarships, grants, and loan programs to qualified applicants.

Contact the Office of Student Financial Services for the most up-to-date information on available financial aid. Their office is located in DuBourg Hall, Room 121. You may also call (314) 977-2550, or visit their website at finaid.slu.edu.

#### REFUNDS

Students borrowing in excess of tuition will be sent a refund to their billing, local or permanent address. You may designate an account for an electronic refund. Log into mySLU. Under the "Student Tab" select “Payment Suite.” Within “Payment Suite” select “refunds” then click on “Payment Profile.”

#### ACADEMIC REQUIREMENTS FOR FINANCIAL AID ELIGIBILITY

Federal and state regulations require that educational institutions measure students’ progress toward a declared educational objective, both quantitatively and qualitatively. In accordance with these requirements, Saint Louis University has established standards to measure a student’s Academic Progress. These standards will be applied uniformly to federal and state assistance and other funds regardless of whether the student previously received these funds.

To participate in the program, you will need a computer with Internet access and audio capabilities just like any other online course.

#### FINANCIAL LITERACY 101

Students are encouraged to develop a plan for putting their personal finances to work now and after graduation. Saint Louis University has adopted Financial Literacy 101 as a component of our School for Professional Studies online programs. Financial Literacy 101 is a fully independent program for adults committed to thinking about their life choices.

To participate in the program, you will need a computer with Internet access and audio capabilities just like any other online course.

CONTINUOUS ENROLLMENT POLICY

Remaining continuously enrolled in a program of study is a key factor for student progression and successful completion of a program. Therefore, the School for Professional Studies encourages and supports students to remain continuously enrolled in their program of study. The School recognizes that, on occasion, a student may experience an extraordinary personal situation for which the student may need an extended break between terms.

Policy

School for Professional Studies undergraduate students must enroll in and complete at least one course each term during the Fall and Spring semesters. A student with an extenuating circumstance may apply for a Term Stop-Out. Students who are enrolled and meet the standards of Satisfactory Academic Progress at the end of one term may apply to stop-out (not enroll) in one of the two terms immediately following the term of current enrollment. The student must successfully complete the Term immediately prior to the Stop-Out term. Under no circumstances will two consecutive Term Stop-Outs be approved (i.e., Fall 2 and Spring 1 or Term 1 & Term 2 of the same semester). The student must commit to returning in the Term immediately after the Stop-Out is being requested. Stop-Out Request forms received after the last day to drop courses will not be honored. Students will remain continuously enrolled and will not be eligible to receive financial aid, at Saint Louis University or at any other institution, during the Stop-Out.

APPROPRIATE STUDENT CONDUCT

Display appropriate courtesy to all School for Professional students, faculty and staff; and communicate in a manner that is respectful and sensitive to cultural differences, religious beliefs, sexual orientation, and other elements of diversity in the SLU community. The student who does not adhere to these conditions may be dismissed upon review by the associate deans.

Students who are receiving Title IV funding must be scheduled to take at least six credit hours in a given semester. The student must meet with his or her Academic Coach to obtain a Stop-Out Request form. The Academic Coach will provide the student with the necessary information to make an informed decision. The Stop-Out Request form must be signed on or before the last business day to drop courses in the term for which the Term Stop-Out is being requested. Stop-Out Request forms received after the last day to drop courses will not be honored. Students will remain continuously enrolled and will not be eligible to receive financial aid, at Saint Louis University or at any other institution, during the Stop-Out.

When accommodations are granted, the student should discuss with the instructor to identify how the accommodation will work in that specific course. Students do not have to disclose the disability, only their reasonable accommodation.
