In accordance with these requirements, Saint Louis University has established standards to measure a student's Academic Progress. These standards will be applied uniformly to federal/state and University administered and/or other funds regardless of whether the student previously received these funds.

FINANCIAL LITERACY 101

Student debts – such as student loans, and high interest credit card debt, are significant issues in the lives of students both during college and after graduation. Saint Louis University has adopted Financial Literacy 101 as a component of our School for Professional Studies online programs. Financial Literacy 101 is a fully independent program for adults committed to thinking about their life choices.

With Financial Literacy 101 students gain a deeper understanding of financial aid. Students will be able to create a budget, track spending habits, get personalized feedback on their financial knowledge, attitudes, and behaviors, set financial goals, plus much more.

To participate in the program, you will need a computer with Internet access and audio capabilities just like any other online course.

WAITLIST PROCEDURE

Students may be added to a waitlist for a course that has closed due to full enrollment. If a student does not register within 24 hours, an email notification will be sent to the next student. Once all waitlisted students have been notified, the seat is then open to the general population.

In some instances, a staff member in SPS may see that the seat has become available. In this instance, the student will be automatically registered for the course and an email will be sent to the student's SLU email address informing them of the change. It is the student's responsibility to inform the coach if they are no longer interested in enrolling in the class or if they need to drop a replacement course. Students will not be automatically dropped from a class they chose as a substitute for the waitlisted class.

POLICIES

CONTINUOUS ENROLLMENT POLICY

Remaining continuously enrolled in a program of study is a key factor for student progression and successful completion of a program. Therefore, the School for Professional Studies encourages and supports students to remain continuously enrolled in their program of study. The School recognizes that, on occasion, a student may experience an extraordinary personal situation for which the student may need an extended break between terms.

Policy

School for Professional Studies undergraduate students must enroll in and complete at least one course each term during the Fall and Spring semesters. A student with an extenuating circumstance may apply for a Term Stop-Out. Students who are enrolled and meeting the standards of Satisfactory Academic Progress at the end of one term may apply to stop-out (not enroll) in one of the two terms immediately following the term of current enrollment. The student must successfully complete the Term immediately prior to the Stop-Out term. Under no circumstances will two consecutive Term Stop-Outs be approved (i.e., Fall 2 and Spring 1 or Term 1 & 2 of the same semester). The student must commit to returning in the Term immediately after the Stop-Out Term or the student will be withdrawn from the School for Professional Studies.

Students who are receiving Title IV funding must be scheduled to take at least six credit hours in a given semester. The student must meet with his or her Academic Coach to obtain a Stop-Out Request form. The Academic Coach will provide the student with the necessary information to make an informed decision. The Stop-Out Request form must be signed on or before the last business day to drop courses in the term for which the Term Stop-Out is being requested. Stop-Out Request forms received after the last day to drop courses will not be honored. Students will remain continuously enrolled and will not be eligible to receive financial aid, at Saint Louis University or at any other institution, during the Stop-Out.

APPROPRIATE STUDENT CONDUCT

Display appropriate courtesy to all School for Professional students, faculty and staff; and communicate in a manner that is respectful and sensitive to cultural differences, religious beliefs, sexual orientation, and other elements of diversity in the SLU community. The student who does not adhere to these conditions may be dismissed upon review by the associate deans.

FAQS

WHAT DO I DO IF I AM HAVING PROBLEMS IN CLASS?

First, talk with your instructor. Instructors will schedule time outside of class to meet with you and assist you in problem areas or connect you with resources that could help you to better grasp the information. It is always a positive step to show an instructor that you care about learning and that you are trying to do your best in the class.

Second, utilize the Tutoring Center, Online Writing Center, Smarthinking and/or SLU Libraries. These resources have been designed specifically for your use; we encourage you to take advantage of the assistance they offer:

- Smarthinking: smarthinking.com
- Tutoring and Online Writing Center: slu.edu/life-at-slu/student-success-center/academic-support
- SLU Libraries: lib.slu.edu

Third, contact your academic coach for concerns regarding problems in class. Your coach may be able to suggest additional resources.

WHY DO I HAVE A HOLD ON MY ACCOUNT?

A list of student holds can be found at: slu.edu/register. Click on the hold type to find out how to get the hold removed.

Note that Student Accounts holds are not automatically removed upon payment to the university. Contact Student Accounts at 314-977-2350 to have the hold removed.

Any questions regarding holds on your account can be addressed to your academic coach.

HOW MUCH TIME SHOULD I EXPECT TO SPEND ON HOMEWORK?

You should expect to spend approximately 2–3 hours outside of the classroom for every unit of credit.

For example, if you are taking 3 credit hours per term, you should expect to spend 6-9 hours per week of time studying outside of the classroom.

Online classes are often more intense and can sometimes require 15–20 hours per week, depending on the subject matter.

WHAT ARE GENERAL TIMELINES?

Students can be registered for the next academic year each April. Contact your coach to start the process of registering for the upcoming academic year starting in March.

WHAT IS MY RESPONSIBILITY AS A PARTNERSHIP STUDENT?

It is your responsibility to contact your coach should you need to make any changes to your schedule. You will always be registered for each term unless your coach is notified in writing.

It is your responsibility to communicate with your employer regarding what classes are covered under your tuition benefits. It is required that you contact your coach directly should the need arise to meet any adjustments to your schedule.

Once your academic schedule has been confirmed, your schedule will be sent to you from your coach directly to your SLU email account.
