### DEFERRED PAYMENT OPTION

The School for Professional Studies offers special financial arrangements for students whose employers reimburse tuition costs after completion of a course. To take advantage of the deferred payment option, students must submit documentation indicating the employer’s reimbursement amount and the student’s eligibility to the Office of Student Financial Services prior to the beginning of each semester this option is to be used. Tuition or fees not paid by employers are due on the regular payment due dates. Under this option, students are responsible for the full tuition amount, whether or not the reimbursement is received. Additionally, a 1% per month finance charge will be assessed on open balances after the deferred payment due date. Payment must be received prior to the deferred deadline to ensure continued eligibility for deferment and prevent late fees and holds on future registration. Contact Carolyn Merkel at carolyn.merkel@slu.edu or 314-977-2405.

### ONLINE PAYMENT

To reach the Payment Suite, go to auth.slu.edu and log into portal using your SLU user ID and password. Navigate to Payment Suite of your MyApps section and click on that icon.

### BUDGET PAYMENT PLAN

Students who would like to pay their tuition in installments may arrange to participate in this plan. Options include a monthly payment plan with a finance charge of 1% per month assessed on the unpaid balance, or an interest-free monthly payment plan with an up-front semester enrollment fee of $75. Payments must be received prior to the due dates to prevent late fees and registration holds.

### DIRECT BILLING TO EMPLOYERS

Students whose employers will pay tuition costs directly to the University may use the company billing process. Contact the Office of Financial Services at (314) 977-2350 to take advantage of this service.

### REFUNDS

Students borrowing in excess of tuition will be sent a refund to their billing, local or permanent address. You may designate an account for an electronic refund. Log into mySLU. Under your My Apps section, select Payment Suite, then click on Refunds.

### ACADEMIC REQUIREMENTS FOR FINANCIAL AID ELIGIBILITY

Federal and state regulations require that educational institutions measure students’ progress toward a declared educational objective, both quantitatively and qualitatively. In accordance with these requirements, Saint Louis University has established standards to measure a student’s Academic Progress. These standards will be applied uniformly to federal and University administered and/or other funds regardless of whether the student previously received these funds.

### FINANCIAL ASSISTANCE: HOW IT WORKS

Saint Louis University is committed to providing scholarship and financial aid programs to recognize academic excellence and to make a SLU education affordable. In addition to offering merit-based scholarships, SLU provides need-based scholarships, grants, and loan programs to qualified applicants.

Your Financial Aid counselor is Shayla Johnson and can be reached at 314-977-2441 or spsfinaid@slu.edu. Please allow 24–48 business hours for your email or voicemail to be returned.

WAITLIST PROCEDURE
Students may be added to a waitlist for a course that has closed due to full enrollment. If a seat becomes available, the student will receive email notification from waitlist@slu.edu and will have 24 hours to change their status from waitlisted to registered via Banner Self-Service.

In some instances, a staff member in SPS may see that the seat has not replaced academic advising, it is a supplement.

TERM DISTINCTIONS
When searching for courses in Banner, look for the following section codes to determine which eight-week term is offered:

- Fall 1, Spring 1 and Summer 1 begins with 1 first term of semester.
- Fall 2, Spring 2 and Summer 1 begins with 2 second term of semester.

REGISTRATION
Students may register for classes online using Course@SLU. Students must assume responsibility for completion of all course prerequisites prior to the start of the class. Students should connect with their academic coach during the registration process to discuss upcoming enrollments and confirm their course schedule. Registration closes at 5 p.m. the Friday before the first class.

DEGREE WORKS
Degree Works is a web-based tool designed to assist students, faculty, and certain designated staff with monitoring a student’s academic progress toward degree completion. Degree Works organizes coursework in an easy-to-read degree audit summarizing completed requirements for a degree, as well as those that are still missing. It also shows how each requirement has been satisfied and what courses can be taken to complete remaining requirements. The degree audit does not replace academic advising, it is a supplement.
**CONTINUOUS ENROLLMENT POLICY**

Remaining continuously enrolled in a program of study is a key factor for student progression and successful completion of a program. Therefore, the School for Professional Studies encourages and supports students to remain continuously enrolled in their program of study. The School recognizes that, on occasion, a student may experience an extraordinary personal situation for which the student may need an extended break between terms.

**Policy**

School for Professional Studies undergraduate students must enroll in and complete at least one course each term during the Fall and Spring semesters. A student with an extenuating circumstance may apply for a Term Stop-Out. Students who are enrolled and meeting the standards of Satisfactory Academic Progress at the end of one term may apply to stop-out (not enroll) in one of the two terms immediately following the term of current enrollment. The student must successfully complete the Term immediately prior to the Stop-Out term. Under no circumstances will two consecutive Terms be approved (i.e., Fall 2 and Spring 1 or Term 1 of 2 of the same semester). The student must commit to returning in the Term immediately after the Stop-Out Term or the student will be withdrawn from the School for Professional Studies.

**APPROPRIATE STUDENT CONDUCT**

Display appropriate courtesy to all School for Professional studies, faculty and staff; and communicate in a manner that is respectful and sensitive to cultural differences, religious beliefs, sexual orientation, and other elements of diversity in the SLU community. The student who does not adhere to these conditions may be dismissed upon review by the associate deans.

**ACADEMIC STANDING**

**UNDERGRADUATE STUDENTS**

**Good Standing**

Students are considered to be in good academic standing if they are not on probation (either university probation or program probation) and have not been dismissed or suspended from Saint Louis University.

**University Probation**

Students will be automatically placed on university probation if any of the following occurs:

- the Saint Louis University cumulative grade point average falls below 2.00
- the Saint Louis University semester grade point average is below 1.00
- more than two In-Progress grades on their academic transcript

**Graduate Students**

Classified students are in good academic standing when they are making progress toward a degree within the time period established for that degree by the University. Students will not be advanced to candidacy or be eligible to graduate or continue an assistantship while not in good academic standing. Candidacy is achieved after passing the oral exam, regardless of whether the prospectus is part of the exam. Students are not in good standing if any of the following conditions are true:

- They are on academic probation
- Their transcripts reflect more than two incomplete grades
- Their time to degree has expired
- They have been placed under temporary suspension for academic deficiencies or misconduct
- They have been formally dismissed from the University

If the cumulative grade point average of classified students falls below 3.00 (on the four-point scale, “B” = 3.00), students are automatically placed on academic probation (not to be confused with probationary admission). To continue degree pursuit, students must progress toward a 3.00 cumulative average and are expected to emerge from academic probation within nine credits or two successive academic terms during which coursework registrations are recorded. Students may not be advanced to candidacy status while on academic probation.

Graduate students are expected to complete academic work at the “B” level. A limited number of credits in which the grade of “C” or “D” is earned may or may not be accepted toward a degree at the discretion of the individual department or program. The classified student’s cumulative grade point average in academic work presented to fulfill degree requirements must be at least 3.00.

Each college, school, and center is responsible for establishing specific policies and procedures regarding the placement of, monitoring of, and subsequent dismissals associated with academic probation at the program and university levels.
