Additional Notes

1. Professional licensure requirements, and determinations of which academic programs fulfill them, are established solely by individual states, and are subject to change without notice to SLU. The SLU records below will be updated annually; however, SLU cannot guarantee that they are always accurate.
2. **Saint Louis University cannot guarantee an individual's attainment of any state-established professional licensure or certification, in any field, in any jurisdiction.** All current and prospective students should always consult the appropriate licensing agency(ies) in the state(s) in which they wish to practice professionally to determine the states' updated requirements and ensure academic program compatibility.
