Salus Center
3545 Lafayette Ave. St. Louis, MO 63103
Email: iwelunmorj@slu.edu

Education

2006-2011 PhD in Biobehavioral Health
Minor in Demography
Pennsylvania State University
Dissertation Title: Examining Child Malaria Diagnosis and Treatment Practices at an Outpatient Clinic in Southwest Nigeria.
Advisor: Collins .O. Airhihenbuwa, PhD.

2001-2006 BSc in Human Development & Family Studies
Minor in Sociology
Pennsylvania State University

Research Interests

- Behavioral, cultural, social, structural, and policy factors influencing health and well-being across the lifespan
- Dissemination and implementation of evidence-based interventions in low-resource settings, with an emphasis on sustainability and fostering resilience.
- Community-engaged research focused on reducing health disparities among racial and ethnic minorities in the US and among individuals, families and communities in developing countries.

Academic Appointments

2017-present Associate Professor in Behavioral Science, Health Education & Global Health
Department of Behavioral Science and Health Education
St. Louis University

2013-2017 Assistant Professor in Community Health,
Department of Kinesiology and Community Health
University of Illinois at Urbana-Champaign

Professional Experience

2010-2013 Assistant Program Specialist, United Nations Education, Science, Cultural Organization (UNESCO), Paris, France. Worked as the Culture Sector coordinator for UNESCO's Intersectoral Program on HIV and AIDS

Research Grants

Current

2016 Role: Co-I: Uptake of task-shifting strategy for blood pressure control in community health planning services: a mixed method study (U-01) RFA-HL-17-014. Pending Review by National Institutes of Health, National Institutes of Heart, Lung, and Blood Institute.

2015 Role: PI: Sustaining a task-shifting strategy for blood pressure control in Ghana. NIH Dissemination and Implementation Research (R-03). R-03 TW010081-Funded by Fogarty, 2015-2017

- 2015 Role: Co-I: Point-of-Delivery Prenatal Test Results through mHealth to Improve Birth Outcome. NIH-Mobile Health-Technology and Outcomes in Low and Middle Income Countries (R-21). 1R21TW010252-01-Funded by Fogarty, Period of Funding: 09-2015 to 08-2017
- 2015 Role: Co-I: Intervention for Sustained Testing and Retention (iSTAR) Among people living with HIV. NIH-National Institutes of Child Health and Human Development (NICHD) (R-01). Period of Funding: 12-2015 to 11-2020.
- Completed**
- 2014 Role: PI: Project Title: Identifying Provider Level Factors for the Control of Hypertension in West Africa. UIUC Research Board.
- 2014 Role: PI: Project Title: Health in Africa and the Post-2015 Millennium Development Goals. UIUC Office of International Programs.
- 2014 Role: Co-I: Project Title: Comparative Effectiveness of Congregation and Clinic Based Approaches to the Prevention of Mother to Child Transmission of HIV (Healthy Beginning Initiative).
- 2014 Role: Co-PI: Project Title: Health in Africa and the Post-2015 Millennium Development Goals. National Science Foundation Conference Grants.
- 2010-2011 Role: PI: Project Title: An Interdisciplinary Approach to Malaria Management and Control in West Africa. F-31 Predoctoral Fellowship. Funded by NICHD.

Invited Talks

9. Saint Louis University (2016) Culture and the Social Determinants of Health: Implications for the sustainability of evidence-based intervention.
8. UNESCO Center for Global Studies Program at the University of Illinois (2013) Talk Title: Working at UNESCO and the UNESCO Intersectoral Program in HIV and AIDS
7. African Graduate Students Association at the University of Illinois (2013) Talk Title: Towards a culture-centered approach to health intervention in Africa.
6. Department of Health and Behavior Studies, Program in Health Education, Teachers College, Columbia University; Talk Title; Applying an interdisciplinary perspective to health education research; Lessons from child malaria research in Southwest Nigeria and implications for the future.
5. Department of Biobehavioral Health, Penn State University. (BBH 596 Colloquium); Talk Title; Rethinking HIV/AIDS disclosure among women within the context of motherhood in South Africa.
4. Bucknell University, PA, Global Programs; Talk Title; Conducting research in Africa
3. Department of Biobehavioral Health, Penn State University; (BBH 551: Global Health & Culture); Talk Title: Child malaria treatment practices among mothers attending an outpatient clinic in Southwest Nigeria.
2. Department of Biobehavioral Health, Penn State University (BBH 305: Introduction to Global Health Issues); Talk Title: The politics of HIV disclosure among women in South Africa.
1. Department of Biobehavioral Health, Penn State University (BBH 407: Global Health Equity); Talk Title: A case study on malaria burden in Southwest Nigeria.

Courses Taught

Instructor: Kinesiology and Community Health, University of Illinois
Course: Women's Health, 2014-2016; Cultural Competence, 2013-2016; Issues in Health Education, 2016.

Instructor, Department of Biobehavioral Health, Penn State University.
Course; Health, Illness and Disease, 2009
Course; Behavior, Health, and Disease, 2006

Teaching Assistant, Department of Biobehavioral Health, Penn State University.
Course; Global Health and Georesources Management, 2009

Course; Diversity and Health, 2007
Course; Research Strategies in Biobehavioral Health, 2007
Course; Values and Ethics in Human Development, 2006

Peer Educator and Certified Facilitator, University Health Services, Penn State University.
Course; CDC skills building project; (Sisters Informing Sisters about Topic on AIDS)

Professional Organization Membership

American Public Health Association
American Academy of Health Behavior
Society for Public Health Education

Honors and Awards

2015	Behavioral Medicine and Sleep Research Pride Scholar at NYU Langone Medical Center
2010-2011	Eunice Shriver National Institute of Child Health and Human Development (NICHD) Predoctoral Fellow
2010	Biobehavioral Health Graduate Student Scientific Achievement Award
2009-2010:	Hintz Graduate Education Enhancement Fellowship Recipient,
2009-2010:	Albert and Lorraine Kligman Fellow in Health and Human Development
2008-2009:	Hintz Graduate Education Enhancement Fellowship Recipient,
2008-2009:	Pennsylvania State Africana Research Center Fellowship Recipient,
2006-2010:	Bunton Waller Fellowship at Pennsylvania State University.
