## Finding a direct equivalent to a SLU course

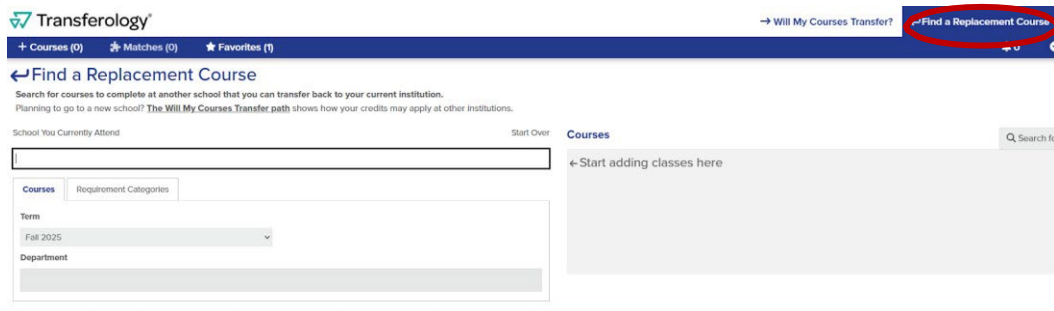

Example: You want to take an equivalent course to SLU's MATH 1200 at another institution?

### STEP 1:

Sign in to Transferology <https://www.transferology.com/login.htm>

### STEP 2:

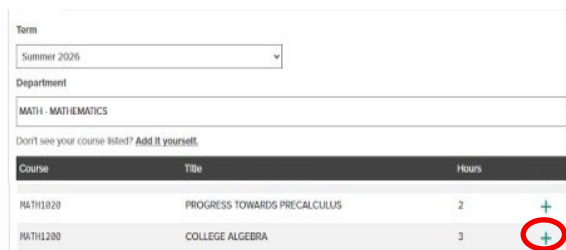

Click on the “Find a Replacement Course” tab:

- Type under “School You Currently Attend”: “Saint Louis University”
- Select the correct term under the “Term tab” (Summer of 2026).
- Under “Department” select the department you want to take the class from (MATH).

### STEP 3:

Scroll down to find MATH 1200 and select it through the plus button.

Course	Title	Hours
MATH1020	PROGRESS TOWARDS PRECALCULUS	2
MATH1200	COLLEGE ALGEBRA	3

Click on the button “Search for Matches” on righthand side.

Courses			Search for Matches
Saint Louis University			Delete All
MATH1200	COLLEGE ALGEBRA	Summer '26	3

## STEP 4:

Type on the search bar and enter the name of the school you want to take the equivalent to MATH 1200. We will use College of DuPage.

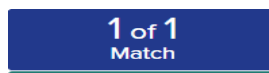

The screenshot shows a search interface with the following elements:

- Header: "1 Schools Found (1108 hidden)" in blue text.
- Search bar: Contains "College of DuPage". Above the bar is a "School name search" button. To the left of the bar is a "Clear filters" link.
- Navigation: Below the search bar are two buttons: "<< First" and "< Previous". To the right is the text "Showing 1 - 1".
- Result Card: A blue button labeled "1 of 1 Match" is on the left. To its right is a yellow box labeled "College of DuPage" with a star icon. Below this box, the text reads: "Glen Ellyn, IL", "2 year, Public - [View Full Profile](#)".

It gives me a result that there **IS** a class that will count towards MATH 1200.

## STEP 5:

Click on the blue 1 of 1 Match button

The system will show you the class you need to take for it to count towards MATH 1200 and a brief background of the school.

The screenshot shows the school profile page for College of DuPage. It includes:

- Header: "College of DuPage" in blue text with a star icon.
- Section: "1 Course Match" in a blue box.
- Text: "The matches below indicate specific courses you may be awarded after completing and transferring, assuming you earned a passing grade in the transferred course. Matches may change depending upon your major. This is for reference only. An official evaluation will be completed when your transcript has been evaluated."
- Section: "For credit at" followed by "Saint Louis University" in blue text.
- List: A bullet point showing "MATH1200 COLLEGE ALGEBRA take **MATH1428**".
- Link: "Expand all course descriptions" in blue text at the bottom right.

## Final Result:

We need to take **MATH1428** at College of DuPage for it to count towards MATH 1200 at SLU.
