

Margaret Zuercher

margaret.zuercher@slu.edu

ADVISOR/MENTOR: Dr. Cox
SPONSOR/GRANT: Jacobs Engineering Group
PROGRAM START: Spring 2018

BIOGRAPHY

Margaret Zuercher is a part time, non-thesis civil engineering M.S. student with a concentration in hydrodynamics and environmental fluid mechanics. She works full time as a Water Resource Engineer for Jacobs Engineering Group.

She grew up outside of Chicago, but lived for most of the past decade in Louisiana.

She is interested in all things water resources. Her goal is to spend her career planning and designing systems that work sustainably with the surrounding environment.

RESEARCH

Margaret Zuercher works full time as a Water Resource Engineer for Jacobs Engineering Group.
