Faculty:
Interdisciplinary faculty from throughout the university

The International Studies B.A. degree at Saint Louis University offers students a cross-disciplinary approach to historical, political, and socioeconomic issues in our global society. Addressing topics of contemporary culture and society, the program is designed to develop skills and knowledge in students seeking to bring an international dimension to their careers. In conjunction with another area of study, our double-major program enhances students' education by focusing on the complex interrelationships of international affairs in the 21st century.
