

School of Social Work

Accelerated Bachelor's to Master's Degree Programs

Want to Make a Difference?

Prepare for a meaningful career by starting one of our master's degree pathways while you're still an undergrad!

Social Work, MSW
Applied Behavior Analysis, MS
Criminology and Criminal Justice, MA

All
majors
welcome!

How do the SSW ABM's work?

- Attend an information session.
- Apply spring of your junior year.
- Begin taking approved graduate courses during your senior year.
- Count graduate courses toward both your bachelor's and master's degrees.
- Graduate with both degrees in less time (and cost) than doing each separately.

You should apply if:

- You want to help others.
- You're interested in clinical (counseling/therapy), behavioral health, community, criminal justice, or policy work.
- You want an applied career with strong employment opportunities after graduation.
